against Women calls for Parties to eliminate discrimination against women. They believe ratification will give the Convention additional legitimacy, and that it will further empower women who are fighting discrimination in other countries. Some opponents of ratification contend that the Convention is not the best or most efficient way to eliminate discrimination against women. They believe ratification will undermine U.S. sovereignty and impact U.S. social policy related to family planning and abortion, among other things. This report provides background on Convention developments, including U.S. policy and Congressional actions, and considers arguments for and against ratification. It will be updated as events occur.

agreements that fall within the scope of the Convention; – how the
Convention’s enforcement mechanism works; – the meaning of ‘international’ and the absence of a seat of mediation; – the Convention’s approach to recognition and enforcement of internationally mediated settlement agreements; – the grounds for refusal to grant relief under the Convention; – mediator misconduct as a ground for refusal to grant relief; – the impact of the Convention on private international law; – the relationship of the Singapore Convention with other international instruments such as the UN Model Law on International Commercial Mediation and the New York Convention on Arbitration; – possibilities for Contracting States to declare reservations. How this will help you: This book will be one of the first publications providing legal practitioners and other stakeholders with legal commentary on the Singapore Convention on Mediation. It informs readers of the legal implications and potential controversies associated with the Convention and offers much-needed clarifications on particular provisions. This book takes a giant step towards relieving the inherent uncertainty associated with how this newly constituted instrument may operate, and how States may become ‘Convention ready’. It is sure to become an essential reference for international lawyers, mediators and government officials as the Convention proves itself in the coming years.

The Singapore Convention on Mediation - Nadja Alexander - 2019-10-14
The Singapore Convention on Mediation presents a comprehensive and insightful commentary on the Singapore Convention and the emerging field of the private international law of mediation. The Convention is just beginning its life as an international legal instrument. Recent years have witnessed the growing recourse to mediation as an alternative method of solving disputes in the sphere of international commercial and investment relations. How is it likely to fare? In this first comprehensive, article-by-article commentary, the authors provide a robust report on the features of the Convention and their implications, with analysis of potential controversies and authoritative clarifications of particular provisions. What’s in this book: The book’s meticulous examination considers the following issues and topics: – international mediated settlement agreements as a new type of legal instrument in international law; – types of settlement agreements that fall within the scope of the Convention; – the Convention’s enforcement mechanism works; – the meaning of ‘international’ and the absence of a seat of mediation; – the Convention’s approach to recognition and enforcement of internationally mediated settlement agreements; – the grounds for refusal to grant relief under the Convention; – mediator misconduct as a ground for refusal to grant relief; – the impact of the Convention on private international law; – the relationship of the Singapore Convention with other international instruments such as the UN Model Law on International Commercial Mediation and the New York Convention on Arbitration; – possibilities for Contracting States to declare reservations. How this will help you: This book will be one of the first publications providing legal practitioners and other stakeholders with legal commentary on the Singapore Convention on Mediation.
