Beyond the City: a history of Nepean, birthplace of Canada's capital, 1792-1990. This essay in local history...for the first time, decisively break this silence and challenge traditional readings of B.C. history. In this wide-ranging collection, R.W. Sandwell draws together a distinguished group of contributors who bring expertise, methodologies, and theoretical perspectives from social, historical, anthropological, and anthropological studies to bear on the development of Nepean Village, London, ontario.

Lost Amusement Parks of New York City - Barbara Gottlieb - 2013-08-20 A history of New York's amusement parks and how they reflect urban history and developments. The book is divided into three parts: the early years of amusement park development, the heyday of the amusement park era, and the decline of the amusement park. The book discusses the history of amusement parks in New York City, from the early 19th century to the present day. It also includes a comprehensive timeline of New York City's amusement parks, as well as numerous illustrations and photos.

The City Beyond the Glass - Susanne Zwerink - 2004-04-02 The City Beyond the Glass examines the role that movie-going has played in small-town and rural communities across Europe. It documents an amazing diversity of sites and presents new and present views of the city in the life of information and present views of the city in the life of the people who live there. The City Beyond the Glass brings together their vivid representations of the city.

Beyond the City - Garett D. Rosendal - 2015-05 A compelling exploration of the myriad ways in which German cities have confronted their Nazi pasts.

City of Dreams - Tyler Anbinder - 2016-10-18

"Told brilliantly, even unforgettably An American story, one that belongs to all of us." — Boston Globe "A richly textured guide to the history of our immigrant nation's pinnacle immigrant city has managed to enter the stage during an election season that has resurrected this historically fraught topic in all its ferocity." — New York Times Book Review New York has been America's city of immigrants for nearly four centuries. Growing from Peter Minuit's tiny settlement of 1626 to a clamorous metropolis with more than three million immigrants today, the city has always been a magnet for transplants from all over the globe. City of Dreams is the long-overdue, inspiring, and defining account of New York's immigrants, both famous and forgotten: the young man from the Caribbean who relocated to New York and became a founding father; Russian-born Emma Goldman, who condoned the murder of American industrialists as a means of aiding downtrodden workers; Dominican immigrant Oscar de la Renta, who dressed first ladies from Jackie Kennedy to Michelle Obama. Over ten years in the making, Tyler Anbinder's story is one of innovators and artists, revolutionaries and rioters, staggering deprivation and soaring triumphs. In so many ways, today's immigrants are just like those who came to America in centuries past—and their stories have never before been told with such breadth of scope, lavish research, and resounding spirit. "A masterful achievement, City of Dreams is the definitive account of the American origin story, as told through our premier metropolis. Bold, exhaustive, always surprising. Anbinder's book is a wonderful reminder of how we came to be who we are." — Timothy Egan, best-selling author of The Immortal Irishman
