10. Origins of the First World War: A Reassessment
    - Paul D. Crickmore - 1989
    - P. J. Strachan - 1989
    - Martin Gilbert - 1989
    - Carl J. O. Beck - 1989
    - - - 1854–1946

This collection covers many of the key topics related to the First World War and provides an authoritative survey of the field. Starting with the crucial period of the First World War and ending with the equally complex question of the Russian Revolution, the books offer comprehensive analyses and interpretations of the diplomatic, political, and military events that shaped the course of the war.
The Berlin Embassy of Lord D'Abernon, 1920-1926

Difficulties with Romania, France, and the United States, and the threat from the Far East. This diplomatic success, he maintains, was the result of Soviet victory in the civil war and the patient pursuit of realizable objectives.

In Defence of British India - Edward Legge - 1933-04-08

First Published in 1896, Raffles is an account of Sir Thomas Stamford Raffles, an early governor general of Singapore. It is an account of the story of Raffles' life in Singapore, Malacca, and Java.

James Joll's study is not simply another narrative, retelling the story that had been finally updated at St. James's. It is an address and note-taking analysis of the factors that were at work in the First World War, and the very different ways in which historians have interpreted those factors. The importance of the factors, the research and scholarship of James Joll's study, and the clarity of his exposition, have all contributed to the spectacular success of the book.

The British Studies Monitor - James Joll - 2013-11-05

The British Studies Monitor is a quarterly publication devoted to research on modern British history and culture.

Britain and the Origins of the First World War - Keith Hamilton - 2021-01-14

Keith Hamilton reconstructs the extraordinary financial history of the dukes of Devonshire, narrates the story of the Cozens-Hardys, a Norfolk family who played a remarkably varied part in the life of their county, and offers a controversial reappraisal of the role these underappreciated internationalists in Paris, many of whom transitioned into leading the League of Nations even before the Peace Conference ended. Often derided as an idealistic fantasy, international peace enforced by economic sanctions proved a notable possibility when the Treaty of Versailles was signed on November 28, 1919.

Servants of Diplomacy - Keith Hamilton - 2015-08-13
