War Psalms of the Prince of Peace: Lessons from the Imprecatory Psalms  
James E. Adams - 2016-11-30
Although the Psalms are much beloved by readers of the Bible, some hostile language in individual psalms may be disconcerting. Are these seemingly vindictive prayers acceptable in the mouths of Christians? How is a pastor supposed to preach these texts? James E. Adams wants us to embrace God's Word in its entirety, and that means examining the parts that make us uncomfortable. In short, helpful chapters, Adams answers a number of questions: Are these psalms from God? Who is the speaker in the psalms? May we pray these psalms today? It turns out that the Prince of Peace has much to teach us about war, and even the imprecatory psalms may be prayed with the merciful goal of conversion. Twenty-fifth anniversary edition includes a new epilogue and additional chapter.

The Prince's Psalm  
Eric Shaw Quinn - 2016-06-07
This modern-day novel tells the story of Jonathan, Israel's first king, and David, the man who captured his heart.

The Messiah and the Psalms  
Richard P. Jr Belcher - 2006
Many Christians today have only a very limited knowledge of the Psalms and are oblivious to the relevance and significance this portion of scripture has, both to the New Testament and to their lives in the 21st century. This book will help pastors, seminary students, lay leaders, and Christians in personal study, to understand how the Psalms relate to Christ so they will be better equipped to preach and teach the psalms. --from publisher description.

Imprecatory Prayer  
Greg Crawford - 2012-12-10
Never Be Defeated In Your Prayer Life Again! The six distinct types of prayer are covered and also the secret weapon of imprecatory prayer. Imprecatory prayer or prayers of imprecation are seen throughout the Bible. Imprecatory prayer is done when covenant is broken. Taught in detail, the requirements for imprecation, heart attitude and also outcomes are shown. Imprecation was the secret weapon of David's Prayer life. A true living example is given showing the power of imprecation! This is the next level of intercession not even heard about, but much needed in this hour!

Soul Anatomy  
George Robertson - 2020-10-05
How do you worship when you're depressed? Where do you find words to express inexpressible joy? What do you pray when you need hope? Soul Anatomy is a biblical guide for working through emotional turmoil in a gospel-centered way. It shows how the Psalms serve as a God-authored script by which to express every category of the human experience. The Bible's inspired hymnbook guides believers through the highest summits and lowest troughs of life and invites the not-yet believer to a Redeemer who ultimately experienced all of the emotions of these prayers in his incarnation. Author George Robertson enables readers to find a sympathetic Savior in the Psalms who experienced every human emotion, and he helps men and women use the God-inspired vocabulary for expressing every feeling to the Father. Soul Anatomy helps men and women respond to the
singing in the church, present biblical reasons for the liturgical practice, physically, and volitionally. Readers will discover the heart of Jesus through the prayers of Jesus, the high priest who can sympathize with us and learn to pray their troubles using God’s own words.

**Soul Anatomy** - George Robertson - 2020-10-05 How do you worship when you’re depressed? Where do you find words to express inexpressible joy? What do you pray when you need hope? Soul Anatomy is a biblical guide for working through emotional turmoil in a gospel-centered way. It shows how the Psalms serve as a God-authored script by which to express every category of the human experience. The Bible’s inspired hymnbook guides believers through the highest summits and lowest troughs of life and invites the poet-believer to a Redeemer who ultimately experienced all of the emotions of these prayers in his incarnation. Author George Robertson enables readers to find a sympathetic Savior in the Psalms who experienced every human emotion, and he helps men and women use the God-inspired vocabulary for expressing every feeling to the Father. Soul Anatomy helps men and women respond to the love of God in all the ways the psalmists do: spiritually, volitionally, physically, and volitionally. Readers will discover the heart of Jesus through the prayers of Jesus, the high priest who can sympathize with us and learn to pray their troubles using God’s own words.

**Theological Themes of Psalms** - Robert D. Bell - 2018-06-12 The pastor who seeks to preach expositionally through Psalms faces a daunting task, for the sermon series would take several years to complete and many of the sermons would seem repetitious because of similar psalms. To respond to this challenge the author has used the book theology method to analyze the Book of Psalms into twenty-eight theological themes, providing the preacher with material for approximately a one-year series on the book. Each chapter includes a list of applicable theological propositions that can be preached or taught to contemporary audiences. Then the chapter concludes by linking the topic to New Testament passages. This monograph contains over seventy tables, mainly charting the Hebrew terms relevant Hebrew word studies inform theological understanding. Backing up the analysis are numerous references to Psalm commentaries, both classical and contemporary.

**Why Should We Sing Psalms?** - Joel R. Beeke - 2015-09-20 Among evangelicals, singing psalms is largely a thing of the past. In this pamphlet, Joel R. Beeke gives nine reasons why churches ought to return to the ancient practice of psalm singing. Here you will find the biblical basis, the experiential benefits, and the sheer beauty and glory of singing psalms. Those hoping to recover biblical faith in our day will do well to take part in the Christ-exalting and soul-enriching worship found in the inspired Psalms.

**Sing a New Song** - Joel R. Beeke - 2010-09-15 The book of Psalms occupies a unique place in Scripture, being both the Word from God and words to God from His people. Unfortunately, psalm singing no longer plays an integral part of worship in most evangelical churches. In this book, thirteen well-respected scholars urge the church to rediscover the treasure of the Psalms as they examine the history of psalm and articulate the practical value it provides us today. Table of Contents: 
- Foreword — W. Robert Godfrey Part 1: Psalm Singing 

**The Prayer of Protection** - Joseph Prince - 2016-11-08 In these days of danger, trouble, and evil, New York Times bestselling author Joseph Prince reveals how God’s children can have round-the-clock protection through the power of prayer. THE PRAYER OF PROTECTION unveils the Bible’s ultimate psalm of protection, Psalm 91, to help you understand more about how God guards His children. Joseph Prince offers simple keys and practical advice to finding and resting in the secret place of the Most High, where no evil can even come near you. You’ll begin to live unafraid and with boldness as you allow the certainty of your heavenly Father’s love and the sure promises of His Word to guard your heart against every fear. Come under the wings of the Almighty and live life divinely protected, positioned, and free from all fears with our covenant-keeping God!

**Mother Kirk** - Douglas Wilson - 2001 Modern evangelicals have gained money, power, and influence, and it has been like giving whiskey to a two-year-old. The need of the hour is theological, not political. The arena is the pulpit and the table, not the legislative chamber. Before we are equipped to proclaim His lordship to the inhabitants of all the earth, we must live as though we believed it in the Church. Mother Kirk presents a very practical and pastoral guide to many of the countless issues that arise in conservative Christian churches. The essays span subjects ranging from the nature of lawlessness and church authority to worship music, debt, youth ministry, and pastoral character.

Given the widespread violence and terrorism of the twenty-first-century world, should Christians be seeking divine vengeance like that demonstrated in the retribution psalms of David? This book examines the theology of the curses in the Psalms as well as the ancient cultural context and then shows how mercy and vengeance should play out in our current world.

Wisdom literature is needed now more than ever. In this NSBT volume, Richard Belcher surveys the problem of wisdom literature in Old Testament theology, focusing on the message and theology of the books of Proverbs, Job, and Ecclesiastes. These point forward to the need for Christ and the gospel. Belcher concludes by exploring the relationship of Christ to wisdom in terms of his person, work, and teaching ministry.

A Guide to Biblical Commentaries and Reference Works, by John F. Evans, summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible. A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author’s names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years.

The Crucifixion of the Warrior God - Gregory A. Boyd - 2017-04-17

A dramatic tension confronts every Christian believer and interpreter of Scripture: on the one hand, we encounter images of God commanding and engaging in horrendous violence; on the other hand, we encounter the non-violent teachings and example of Jesus, whose loving, self-sacrificial death and resurrection is held up as the supreme revelation of God's character in the New Testament. How do we reconcile the tension between these seemingly disparate depictions? Are they even capable of reconciliation? Throughout Christian history, many different answers have been proposed, ranging from the long-rejected explanation that these violent depictions can be shown to bear witness to the same self-sacrificial character of God that was supremely revealed on the cross.

More Precious Than Gold - Sam Storms - 2009-02-04

In his third book of daily meditations, Sam Storms urges readers to not just enter into God’s Word but to take the next step toward knowing him and his Word better. And the book of Psalms, Storms believes, is a great place to start, because Psalms is so popular and so very relevant to our experiences today. In More Precious Than Gold, Storms combines years of life experience and his biblical and theological training to bring readers 50 brief, daily meditations that are both stylistically accessible and theologically substantive. Each meditation includes a historical or theological reflection on the psalm in context, a story that brings it alive, and creative tools to support the key idea. Storms also interweaves the words of such luminaries as Charles Spurgeon, Jonathan Edwards, and John Piper to help readers better understand the concepts that are featured throughout Psalms: worship, prayer, joy, forgiveness, steadfast love, mercy, sin’s consequences, the law of the Lord, and our relationship with our enemies. Like the Psalter, Storms doesn’t shy away from the tough issues. Instead, he encourages readers to experience these daily meditations what he and generations of Christians have found to be true: that the whole of the Christian faith is about lifting God higher and magnifying his name—even during difficult times.

The Treasury of David - Charles Haddon Spurgeon - 1883

The Treasury of David - Charles Haddon Spurgeon - 1883

The Key to the Middle East - Derek Prince - 2013-11-05
One Nation Holds the Key to the Destiny of Mankind Though it may seem distant from our modern lives, the drama playing out in the Middle East on the world stage has consequences beyond what we can imagine. And in the tumult of it all, one tiny nation will become the watershed of world events, affecting us all. In this accessible, behind-the-scenes guide, internationally renowned teacher and scholar Derek Prince goes beyond the headlines and immerses you in what the Bible has to say about Israel. Tracing her long, astonishing history, he offers insight into the mounting tension and exposes the destructive enemy now stalking this war-torn land. Accessible and fascinating, The Key to the Middle East also reveals God’s plans for all nations—and what our future could look like. Prince’s depth of understanding and interpretation of Scripture will challenge and encourage you. But above all, you will be brought face-to-face with the God who remembers, honors and lovingly guards His promises to His people.

The Zondervan Encyclopedia of the Bible, Volume 3 - Merrill C. Tenney - 2010-08-10
Revised edition. Volume 3 of 5. The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years. Now thoroughly revised, this new five-volume edition provides up-to-date entries based on the latest scholarship. Beautiful full-color pictures supplement the text, which includes new articles in addition to thorough updates and improvements of existing topics. Different viewpoints of scholarship permit a wellrounded perspective on significant issues relating to doctrines, themes, and biblical interpretation. The goal remains the same: to provide pastors, teachers, students, and devoted Bible readers a comprehensive and reliable library of information. • More than 5,000 pages of vital information arranged for easy reference • Hundreds of full-color and black-and-white illustrations, charts, and graphs • 32 pages of full-color maps and hundreds of black-and-white outline maps for ready reference • Scholarly articles ranging across the entire spectrum of theological and biblical topics, backed by the most current body of archaeological research • 238 contributors from around the world

And with All Your Mind - Steven H. Propp - 2010-12-21
Its 1971, and Silas Baker is a high school senior in California, whose main interests are basketball, and weekend parties. But his life takes a dramatic turn, when he encounters a group of committed Christians, who soberly inform him that Jesus is coming soon! They enroll at Riverstreet Bible College. Its an exciting time, as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel. Popular movies further inflame this passion, as the eager students study Apologetics and Biblical Archaeology; aberrant theologies such as the Death-of-God movement; and even conflicting interpretations of the End Times. An activist spirit develops within evangelicalism, culminating in the so-called Christian Right, as the evangelical world is rocked in the aftermath of the televangelist scandals. Confronted by world views such as Calvinism and Christian Reconstruction, the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos, in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell, or who promote an Open (yet limited) concept of God himself. As society evolves, so does evangelicalism: seeker sensitive megachurches appear, while Postmodernism and the Emergent Church become realities. Theologians wrestle with the question of divorce and remarriage, and the role of women in the church, as well as the divisive issue of homosexuality. As they struggle with lifes realities, they ultimately must respond to nonchristians who are alienated, indifferent, or engaged in active opposition to Christianity, while searching for the meaning of Christian faith in the modern world.

Captive to Reason - Vincent Cheng - 2014-11-26
This is a collection of articles on Christian philosophy and apologetics. It answers a number of objections raised by some professing Christians against biblical metaphysics, epistemology, and apologetics. It is a corrective to both evidentialism and counterfeit presuppositionalism. Chapters include: “Occasionalism and Empiricism,” “The Fatal Maneuver,” “Professional Morons,” “Power Apologetics,” and “The Preacher Speaks Philosophy.”

The One Year Book of Psalms - William J. Petersen - 1999

Downloaded from rolmsgp.willienelson.com on February 2, 2022 by guest
faithful to the ancient text, to explicate the world behind the text, where book of Psalms and about 20 other songs from the Bible, divided into 365 portions, along with a devotional and an appropriate hymn stanza for each reading.

The One Year Book of Psalms - William J. Petersen - 1999
An inspirational devotional choice, this title contains the entire text of the book of Psalms and about 20 other songs from the Bible, divided into 365 portions, along with a devotional and an appropriate hymn stanza for each reading.

The First World War and the Mobilization of Biblical Scholarship - Andrew Mein - 2019-02-07
This fascinating collection of essays charts, for the first time, the range of responses by scholars on both sides of the conflict to the outbreak of war in August 1914. The volume examines how biblical scholars, like their compatriots from every walk of life, responded to the great crisis they faced, and, with relatively few exceptions, were keen to contribute to the war effort. Some joined as soldiers. More commonly, however, biblical scholars and theologians put pen to paper as part of the torrent of patriotic publication that arose both in the United Kingdom and in Germany. The contributors reveal that, in many cases, scholars were repeating or refining common arguments about the responsibility for the war. In Germany and Britain, where the Bible was still central to a Protestant national culture, we also find numerous more specialized works, where biblical scholars brought their own disciplinary expertise to bear on the matter of war in general, and this war in particular. The volume’s contributors thus offer new insights into the place of both the Bible and biblical scholarship in early 20th-century culture.

Psalms, Books 2-3 - Denise Dombkowski Hopkins - 2016-11-17
Many readers are convinced that the Psalms are hopelessly “masculine,” especially given that seventy-three of the 150 psalms begin with headings linking them to King David. In this volume, Denise Dombkowski Hopkins sets stories about women in the Hebrew Bible alongside Psalms 42–89 as “intertexts” for interpretation. The stories of women such as Hannah, Rahab, Tamar, Bathsheba,Susanna, Judith, Shiphrah, Puah, and the Levite’s concubine can generate a different set of associations for psalm metaphors than have traditionally been put forward. These different associations can give the reader different views of the dynamics of power, gender, politics, religion, family, and economics in ancient Israel and in our lives today that might help to name and transform the brokenness of our world. From the Wisdom Commentary series Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible. It is our hope that Wisdom Commentary, by making the best of current feminist biblical scholarship available in an accessible format to ministers, preachers, teachers, scholars, and students, will aid all readers in their advancement toward God’s vision of dignity, equality, and justice for all. The aim of this commentary is to provide feminist interpretation of Scripture in serious, scholarly engagement with the whole text, and, with relatively few exceptions, were keen to contribute to the war effort. Some joined as soldiers. More commonly, however, biblical scholars and theologians put pen to paper as part of the torrent of patriotic publication that arose both in the United Kingdom and in Germany. The contributors reveal that, in many cases, scholars were repeating or refining common arguments about the responsibility for the war. In Germany and Britain, where the Bible was still central to a Protestant national culture, we also find numerous more specialized works, where biblical scholars brought their own disciplinary expertise to bear on the matter of war in general, and this war in particular. The volume’s contributors thus offer new insights into the place of both the Bible and biblical scholarship in early 20th-century culture.

The Song of Achilles - Madeline Miller - 2011-09-05
Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, ‘best of all the Greeks’, is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day, Achilles takes the shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their blossoms into something far deeper - despite the displeasure of Achilles' mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon
destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows him into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an almighty battle between gods and kings, peace and glory, immortal fame and the human heart.

The Book of Psalms - Complete Bible Commentary by Verse - Matthew Henry - 2017-11-13
This is one of the most important biblical commentaries on the book of Psalms. Written by Pastor Matthew Henry, this complete Biblical commentary from the 17th century provides a thorough exegesis of every verse in the Holy Bible. All 150 Psalms commented, examined and discussed individually with key themes of the passage and illustrating the text. Completely indicated for Biblical Scholarship, Seminars, Sunday Bible School or for personal study or group study.

The Book of Psalms - Complete Bible Commentary Verse by Verse - Matthew Henry - 2017-11-13
This is one of the most important biblical commentaries on the book of Psalms. Written by Pastor Matthew Henry, this complete Biblical commentary from the 17th century provides a thorough exegesis of every verse in the Holy Bible. Psalms 1-50, Volume 19 - Peter C. Craigie - 2018-04-24
The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Psalms: An Expositional Commentary accents the spiritual riches of the Psalter and establishes the point of convergence between the modern reader and the ancient songs of God’s people. It is written for personal meditation and for fruitful teaching and preaching.
