Revelation and Reason - Colin E. Gunton - 2008-11-20
Colin Gunton was a world renowned scholar, systematic theologian and Reformed Church minister. Revelation and Reason is an in-depth analysis, derived from the annual lecture/seminar course he gave to MA students at King’s College London. Approximately one-third of the work is a direct transcript, and analysis of the three two-hour lectures Colin Gunton gave at a break-neck speed: 1. ‘From Reason and Revelation to Revelation And Reason’; 2. ‘The Modern Problem in an Historical Context’; 3. ‘Aspects of Karl Barth on Faith And Reason’. These lectures were a history, analysis and critique of Revelation and Reason in Systematic Theology and Philosophy, transcript of the unrehearsed, unscripted, extemporary responses Colin Gunton gave to MA student’s papers on set topics in the Revelation and Reason course, seamlessly integrated, where relevant, with detail from the main three lectures. Colin was a creative lecturer and widely read theologian and philosopher. These extemporary responses show the breadth of his learning, and his genius spontaneously to bring to mind relevant ideas from a wealth of theologians and philosophers, whilst incisively and piercingly exposing the flaws as well as the strengths under consideration. From this wealth of reading, Colin gave space to the free rein of his mind particularly when fielding questions or trying to analyze a particular strand of a theologian's thought. Revelation and Reason is a complementary volume to Colin Gunton's posthumously published The Barth Lectures (Continuum 2007) and to the first volume of his unfinished Systematic Theology, also forthcoming from T&T Clark.

It Isn’t Cheating if He’s Dead - Julie Frayn - 2013-04-13
Jemima Stone has waited four long years for Gerald, her missing fiancé, to come home. When he is found dead halfway across the country, the news is devastating. Detective Finn Wight has been working Gerald’s case from the beginning. He refuses to drop it now, even though it is out of his jurisdiction. He keeps Jemima apprised of all his findings, no matter how painful. Defending her ‘innocent’ clients fills Jemima’s days. Finn’s muscular frame and easy smile fills her fantasies. But nothing relieves the guilt. Guilt that she

scientist, to absent-minded professor, to 'bat-shit crazy' at the hands of paranoid schizophrenia. Guilt that, not long after his death, she was finding solace, and happiness, in the arms of another man. Feeding homeless in a local park helps ease Jemima’s pain. When a new ‘resident’ shows up, the others are wary. Though he refuses to speak, something in his eyes tells Jemima that he doesn’t belong there — that someone is looking for him. Jemima and Finn join forces to discover the man’s identity. They uncover the secret that sent him running from home, but there is so much that even he doesn’t know. Will the truth send him over the edge for good? Or can Jemima bring him back to reality? Bring him home? Before it is too late.

English Made Easy - John Tourian - 2003-12-11

I have often been frustrated and amused by natives who want to be understood only by the collusive, other natives and thus resort to the use of esoteric expressions the meanings of which are only privy to their people or even group. The most enduring manner to memorialize the truth is to render the language understandable, even if it entails going back to its proper roots. Typical of me, I chose the hardest of them all: English, specifically because its rules have been intentionally overlooked or, in some cases, glossed over in favor of a wider comprehensibility, as happened in plastics, computer science or military jargon. Let me put it this way: if there already is a way to say something well, there is no need to create a new way of saying it to the glaring degradation of the language. The purpose of a language is universal understand of what is said. In the case of the English language, make that what is said, how it is said, how it is written and even how it is pronounced. It is pointless for English-speaking people to wrongly interpret the intent of another of their kind or to answer in an equally obfuscating fashion. If I say something, I want to be universally understood in as clear a manner as possible!

**Wardrobe Crisis** - Clare Press - 2018-02-20

Who makes your clothes? This used to be an easy question to answer: it was the seamstress next door, or the tailor on the high street—or you made them yourself. Today, we rarely know the origins of the clothes hanging in our closets. The local shoemaker, dressmaker, and milliner are long gone, replaced by a globalized fashion industry worth $1.5 trillion a year. In Wardrobe Crisis, fashion journalist Clare Press explores the history and ethics behind what we wear. Putting her insider status to good use, Press examines the entire fashion ecosystem, from sweatshops to haute couture, unearthing the roots of today’s buy-and-discard culture. She traces the origins of icons like Chanel, Dior, and Hermès; charts the rise and fall of the department store; and follows the thread that led us from Marie Antoinette to Carrie Bradshaw. Wardrobe Crisis is a witty and persuasive argument for a fashion revolution that will empower you to feel good about your wardrobe again.

Silencio Mental - Dr. Bertrand Martin - 2016-12-16
For more than twenty-five years, Dr. Bertrand Martin has been teaching meditation for combating stress and achieving an overall better quality of life. In his new book, he talks about his techniques and how to use them to achieve mental silence. Todays society suffers from stress, anxiety, depression, burnout, negativity, and much more, leading to unhappiness, diseases, and consumption of medicaments and drugs, Dr Martin says. Regular practice of mental silence meditation can prevent and cure many ailments. It also treads the path of full realization of ones potential. Although stress is a normal part of life, too much of it can have debilitating consequences. Dr. Martin, a psychiatrist and ayurvedic physician, has been teaching meditation to his patients since 1990. This has helped about 95 percent of his patients experience mental silence, a feeling he describes as a totally peacefully state of consciousness in which thinking process stops and a deep physical and mental relaxation is experienced. He shares his techniques for achieving mental silence in his eponymous book. It is specifically written for people living busy, fast-paced lives who want to meditate efficiently and achieve fast results. The steps shared are practical, measurable, clearly explained, and easy to practice. Dr. Bertrand Piccard, a psychiatrist and explorer, recommends the method. If you have picked up this book, it probably means that the search for pioneering solutions to further improve your quality of life is

Not all of us can be discoverers of the universe, but we can go a long way just by exploring our own selves. Our mind is the richest, most valuable, and most efficient resource that is permanently available to each of us. Dr. Martin is proposing a conscious and serene method to shape up our mental, spiritual, and physical capacities. The method is simple, fast, and effective. Let yourself go, and you may land way beyond your usual certainties.

Sadist II: the Duppy King - Kel Fulgham - 2011-11-16
After suffering heavy losses at the hands of the Sadist, Patrick Stetson goes home to properly tend to his wounds. Three years later, Patrick is up for promotion and his life has almost returned to normal. But he learns the danger he fought once before is back, and this time it's hunting him. Paige Stetson left New York and moved to Boston leaving the past behind her. But her new found freedom is short lived once she receives the message encapsulated in a dream. Donald Jones found peace and happiness with his new family. Donald felt the call but ignored it until destiny showed up at his doorstep. Maria Fletcher withdrew from everyone after losing all she loved and cherished. Patrick was the last of her family, so she reached out to him and learned that Cal Johnson was still alive. It wasn't long before her help was sought by Norton Wyle, an ambitious federal agent who wants to harness the Sadist's power. The final judgment has begun, and in the eyes of the Sadist, all are guilty.

Duelling Fire - Anne Mather - 2014-08-15
She couldn't bear the unexpected truth Sara gladly accepted the offer of acting as companion to her youthful Aunt Harriet. Her father had recently died, and she welcomed the solace the English countryside offered. But life in Harriet’s household proved far from peaceful. Most disturbing to Sara was Jude, a blunt and darkly seductive man. Why had Harriet hired him? And what did he do? Then understanding dawned on her: Jude was her aunt’s lover. Yet she couldn’t deny the deep attraction she herself felt for him—an attraction he seemed to reciprocate!

Documentary Media - Broderick Fox - 2015-10-16
Documentary Media: History, Theory, Practice facilitates the study of documentary media, its changing forms, and diverse social functions. Fox provides balanced and accessible coverage of the historical, critical, and the practical aspects of documentary media without mandating specialized skills sets in students or access to costly technology. For practitioners and students alike, Documentary Media lays out fundamental concepts and production processes needed to contribute to the contemporary production of non-fiction media in the digital age. Each chapter engages students by challenging traditional assumptions about documentary form and function, posing critical and creative questions, and offering historical and contemporary examples. Additionally, each chapter closes with an "Into Practice" section that assists readers in applying the chapter's concepts. Fox aims to help the student establish a complete treatment, aesthetic plan, and pre-production strategy for their own documentary project.

The Apple Orchard - Susan Wiggs - 2015-02-24
From #1 New York Times Bestselling Author
Susan Wiggs “…sweet, crisp and juicy.”—Elin
Hilderbrand “A powerful story of love, loss, hope
and redemption.”—Kirkus, Starred Review
Tess Delaney makes a living restoring stolen treasures
to their owners. People like Annelise Winther,
who has just been reunited with her mother’s
long gone necklace, worth a sum that could
change her life. To Annelise, whose family was
torn apart during WWII, the necklace represents
her history, and the value is in its memories. But
Tess’s own history is filled with gaps: a father
she never met, a mother who spent more time
traveling than with her daughter. Then the
enigmatic Dominic Rossi arrives on her San
Francisco doorstep with the news that the
grandfather she never knew is in a coma and that
she’s destined to inherit half of his apple orchard
estate called Bella Vista. The rest is willed to
Isabel Johansen, the half-sister she didn’t know
she had. With Dominic and Isabel by her side,
Tess discovers world where family comes first
and the roots of history run deep. A place where
falling in love is not only possible, but inevitable.
And in a season filled with new experiences, Tess
begins to see the truth in something Annelise
once told her: if you don’t believe memories are
worth more than money, then perhaps you’ve not
made the right kind of memories. Wiggs deftly
weaves a narrative that takes the reader from
present day California to Denmark during WWII
to tell a story of family ties both old and
new—and the moments that connect our hearts.

Healing the Fragmented Selves of Trauma Survivors

- Janina Fisher - 2017-02-24

Healing the Fragmented Selves of Trauma Survivors integrates a neurobiologically informed understanding of trauma, dissociation, and attachment with a practical approach to treatment, all communicated in straightforward language accessible to both client and therapist. Readers will be exposed to a model that emphasizes "resolution"—a transformation in the relationship to one’s self, replacing shame, self-loathing, and assumptions of guilt with compassionate acceptance. Its unique interventions have been adapted from a number of cutting-edge therapeutic approaches, including Sensorimotor Psychotherapy, Internal Family Systems, mindfulness-based therapies, and clinical hypnosis. Readers will close the pages of Healing the Fragmented Selves of Trauma Survivors with a solid grasp of therapeutic approaches to traumatic attachment, working with undiagnosed dissociative symptoms and disorders, integrating "right brain-to-right brain" treatment methods, and much more. Most of all, they will come away with tools for helping clients create an internal sense of safety and compassionate connection to even their most disowned selves.

**Joyfully Single in a Couples’ World** - Harold J. Sala - 2013-02-01
Many facets of our world appear biased toward the couples’ lifestyle; there’s often an insinuation in advertisements, private conversations, and public gatherings that being alone means being unfulfilled—that singleness is a second-class status. How could that be true? In Joyfully Single in a Couples’ World, Bible teacher Harold J. Sala clearly states: “What I want to accomplish is to help singles understand that they can find contentment and peace where they are right now, that they don’t have to be married to be happy. I want to help them come to grips with who they are and to help them to discover where God wants them to go with their lives and futures. Finding God’s help to meet the present need is the key to peace and fulfillment.” Chapters on making peace with your dreams, handling other people’s expectations, the beauty of friendships, and God’s will guide readers to great joy in the here and now.

**FERTILIZER HAPPENS** - Jean Niven Lenk - 2014-09-25
The week before Easter 2013. Rev. Jean Niven Lenk was busy preparing Holy Week observances at the church she served. But she could not ignore the nagging backache that had dogged her for months. In between her pastoral duties that week, she underwent a variety of tests. And then, on Good Friday - the most somber day on the Christian calendar - she received the devastating diagnosis that changed everything: Stage IV cancer. Overwhelmed by the sudden change in her life from pastor to patient, she found an outlet for her raw and often conflicting emotions by writing a blog about her daily experience of fighting cancer. The result is a sometimes irreverent but always authentic account of her struggle which reveals how the “stuff” she has experienced has become fertilizer for a life brimming with meaning, purpose, hope, and love.

The Secret Life of Yellow Dog - Danielle Sigmon - 2015-11-10
What happens when one dog roams the countryside and makes a home for himself in every house? How can so many different people find themselves drawn together and become friends? What is it about this dog that makes people love him, whether they want to or not? Bailey is a city dog brought to the country, and he finds that it suits him better. Before long he’s roaming the woods and fields of the Hill, making friends everywhere that he goes. Wherever he visits he finds sadness and grief, but when he leaves, people’s lives are changed forever. Whether it’s the old man who lives alone or the grieving widow who looks for happiness in a bottle of wine, Bailey comes into their lives and shakes it up, making them better people just because he’s there. Each person believes they are the only ones that Bailey visits, but just how long will it be until he gets caught? And what will happen when everyone learns the truth? Based on the life adventures of a real dog, “The Secret Life of Yellow Dog” is a tale of love, acceptance, and understanding as people collide and clash, all over a single dog.

The Forgotten People - Sam Barringer - 2014-02
The Forgotten People takes place in present day and is about what could happen. It is based upon actual events of our history from Biblical times to present day, mostly regarding Bigfoot and aliens that would eventually be revealed to the world along with a major government conspiracy. Once unveiled to the world, our way of life may change unimaginably.

Angora Alibi - Sally Goldenbaum - 2014-05-06
Expecting her first child, Izzy is unsettled when a young acquaintance’s death is connected to an abandoned baby car seat and a hand-knitted blanket and seeks assistance from the Seaside Knitters.
