**The Sewing Circle** - Axel Madsen - 2015-03-17

Greta Garbo, Marlene Dietrich, and Barbara Stanwyck—to name a few—maintained their images as glamorous big-screen sex symbols complete with dashing escorts, handsome husbands, and scores of male admirers, thanks to studio publicity departments. But off the set, all three box office divas were involved in “lavender” marriages (marriages of convenience, often to gay men) or remained stoically single. They, and several other Hollywood starlets of the era, were members of a discreet women’s “club” called the Sewing Circle, Hollywood’s underground lesbian society. Madsen takes a candid look at the very complicated dual lives these great stars led and the impact their preference for same-sex relationships had on their movie careers.

Winterhawk's Land - Michael Dante - 2011-01-11
Michael Dante played the title role in...
Blackfoot Chief’s character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television’s Golden Era, such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne.

**Flashback Katrina 10 Years After** - Kim McGuire - 2015-06-14

Join Kim on this fantastic exploration which she still feels was so real. This book delves into the scary and chilling details of that fateful day of August 29, 2005 when in a blink of Katrina's eye, her world and life as she knew it changed. Follow her 10 year quest for survival along a bumpy road struggling for some sense of stability. Kim's staying power makes her a survivor. Her sometimes irreverent but always refreshing look at a true life catastrophe is thought - provoking. Luckily, Kim never loses her sense of humor.

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for. Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely...
