**Bibliotheca Osleriana** - Sir William Osler - 1969

During his tenure as the Regius Professor of Medicine at Oxford from 1905-1919, Sir William Osler amassed a considerable library on the history of medicine and science. A Canadian native, Osler had studied at McGill University and decided to leave his collection of 7,600 items to its Faculty of Medicine. A catalogue, the Bibliotheca Osleriana, was compiled - a labour of love that took ten years to complete and involved W.W. Francis, R.H. Hill, and Archibald Malloch. Osler himself laid down the broad outlines of the catalogue and wrote many of the annotations.

The scholar Charles Whibley was born in 1859 and died in 1930, straddling the end of the Victorian age, the new century, and the Great War and its aftermath. After completing his studies at Cambridge, his early journalistic experiences were with the critic, poet and editor William Ernest Henley, known for his mentoring of young writers on the Scots, later National Observer, and Whibley was to a great extent the mainstay of the journal. After his grounding with Henley, he moved to Paris for a few years as the correspondent of the Pall Mall Gazette. Here, he became friends with Paul Valéry, Stéphane Mallarmé and Marcel Schwob, and married Whistler's sister-in-law Ethel Birnie Philip in July 1895. While in Paris he wrote for Blackwood's Magazine and was an adviser for Fisher Unwin's Library of Literary History. Returning to England, Whibley became friends with Lord Northcliffe, Lady Cynthia Asquith, and later T. S. Eliot. The friendship with William Blackwood resulted in Whibley's monthly "Musings without

The early history of endometriosis is interwoven with the history of adenomyosis, since it was not until the mid nineteen-twenties that the two conditions were finally separated. A History of Endometriosis provides a detailed reconstruction of the progress made in identifying, describing and treating the condition we call today endometriosis.

A History of Endometriosis - Ronald Batt - 2011-06-15
Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.
