**The Bible Decoded** - Sandra L Butler - 1999-12-31
THE BIBLE DECODED breaks the ancient code of the Bible, revealing the mystical teachings that have been lost to the doctrines of religion for over 1500 years. You will experience firsthand the error in Judaism and Christianity as you take a journey with Israel and Judah. And Zion will reveal itself as far more than a nation born of the Holocaust. This extraordinary book will forever change the way we interpret biblical scripture as it reveals an important message of instruction for the end of days. The integral content of this book serves to remove the veil that has obscured this ancient spiritual knowledge, which through its application restores the spiritual power that has been lying dormant in the spiritual womb of mankind for thousands of years, the holy seed regenerated, providing the highest degree of life in the physical and spiritual realm. The knowledge we gain through the author's in-depth understanding of this third and final code of the Bible is the key to unlocking the deeper truths contained in our sacred texts, ancient writings, and coded works, many of which have only recently been unearthed.

**Decoding Bible Messages** - John A. Mapp Jr. - 2015-09-17
To Christians, Jesus of Nazareth is the pivotal figure in human history. The entire Bible is about Him. Passages in the Old Testament forecast His life. In some Scriptures, references to Jesus are clear. In others, biblical writers relied on symbolism to foreshadow Jesus's time on earth. In his book Decoding Bible Messages, author John A. Mapp Jr. shines a laser on the Old Testament. Mapp provides numerous examples to bring Jesus out of the symbolism used by Old Testament writers. Passages that, at first look, seemed to have nothing to do with Jesus take on new meaning. For example, Mapp explains how the manner in which the Passover lamb was slaughtered is a symbolic portrayal of Jesus's crucifixion. Through Mapp's research, you'll discover the Old Testament is truly a hologram of Jesus Christ. Decoding Bible Messages provides a new perspective on the Old Testament. Learn to see Jesus on every page, and in the process, gain a new appreciation of the inspired nature of the whole Bible, plus a deeper revelation of the sovereign hand of God.

**Revelation Decoded** - Walter Bramson - 2015-11-08
Revelation Decoded is a Biblical paraphrase of the book of Revelation. What is a Biblical paraphrase? A Biblical paraphrase allows the Bible to explain itself. When a symbol appears in Scripture and the meaning in unclear, the symbol is revealed elsewhere in the Bible. A Biblical paraphrase simply finds the meaning of the code words, and inserts the meaning into the passage. In a typical paraphrase translation, the author rewrites the passage for simplicity's sake, at the risk of changing the meaning. In contrast, in Revelation Decoded the author has used the Bible to explain the book of Revelation making it the easiest book of the Bible to understand.

The Lost Gospel - Simcha Jacobovici - 2014-11-12
Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, The Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, The Lost Gospel reveals secrets that have been hiding in plain sight for millennia.

This is a commentary on the book of Revelation in the King James Version with emphasis on world events during the life of St. John that were actually being alluded to in a coded symbolic form. This commentary espouses the view that most of what St. John discussed had already come to pass while a few of the described events were predictions of what was expected to happen within St. John's remaining lifetime.

Jesus - John Van Auken - 2003
Two thousand years ago, the disciple John wrote in his Gospel that Jesus had many "dark sayings," teachings with hidden meanings. Author John Van Auken has made a study of these hidden teachings and, along with the fascinating insights of American mystic Edgar Cayce, he has written a surprising book that reaches beyond Christianity to a new, more universal Christ. This intriguing book explains things like serpent power, maps of heaven, the nature of the soul, and the dynamics of spiritual rebirth. His ability to integrate Jesus' teachings with concepts from historical adventure through a paradigm shifting manuscript. **Pauline Paradoxes Decoded** - Michael Wood - 2013-04-01

For centuries, scholars have been perplexed by Paul's positive and negative statements about law scattered throughout his writings. For example, in Galatians Paul denigrates law (5.4) then praises law (5.14) then denigrates law again (5.18) then praises law again (6.2). James Sanders, an editor of the Dead Sea Scrolls, explains that Paul's view of law "has been one of the most seemingly insolvable in biblical study." James Dunn characterizes scholarship's inability to reconcile these statements as a growing "crisis." But the "crisis" is finally over. Cryptographer Michael Wood has finally found the answer to Paul's seemingly positive/negative flip-flips - revealing some surprising new information about Paul in the process.

**Decoding the Antichrist and the End Times** - Mark Biltz - 2019-03-05

Will the real Antichrist please stand up? For the last two thousand years people have been anxiously trying to analyze who the Antichrist might be and when he might be revealed. Many people have made preposterous claims, and of course, they have been wrong. If you’re not careful, you can get caught up in the debate and spend so much time arguing with other Christians over the details that you don’t accomplish anything for the kingdom! To make matters worse, we now live in an era when, for the first time, we have the possibility of an artificial intelligence Antichrist, a human computer hybrid that will demand to be worshipped. Have you ever wondered if it’s OK to have Alexa, Siri, and other forms of artificial intelligence in your home? We know that the Bible says great deception is coming, so what is a concerned believer to do? Author and minister Mark Bilz wants you to understand the methods of the Antichrist so you won’t be deceived. This book will help you know the big picture of what has happened historically, what is unfolding this very moment, and what the future holds concerning the Antichrist based on the unfolding purposes of God.

Pathway to Understanding the Bible - Maxwell Adorkor - 2013-06
Did God intend His Word to be difficult for us to understand? Is it God or man’s fault that the Bible remains a mysterious book to most people? Is there a clear path provided by the Author of the Bible to make it easily understandable? Can the Bible be trusted at all? Do we add or subtract from its content? Who should even study the Bible? Are you aware of the battles being waged behind the scenes since ancient times against the Bible and those behind this? Just how many gospel messages do we have in the Bible anyways? Does this message ever change to suit the demands of a particular generation? Can this message be easily identified? Can we trace the source of false doctrines? Do you really know who Jesus was? What was His message? Why did He have to die on man’s behalf? Who were His true killers? Did Paul and the other apostles amend His message or did they preach the same message? Do you really understand the main purposes behind God’s commandments in the Old Testament? How about really understanding the writings of Paul in particular and the rest of the apostles in the New Testament? Does the teaching of Paul contradict that of his master Jesus Christ? What was God’s purpose for creating man? Does God love some groups of people more than others? What brings blessings and / or curses? What does it mean to be righteous according to the Bible? What are the characteristics of a righteous person? Just what is the New covenant and what was it intended to achieve? Who is a neighbor according to Jesus Christ? Unlike the rest, this book discards the denominational approach of studying the Bible and takes the reader on chronological steps to have the Bible decoded and plainly sets the reader on a personal journey of studying it without the aid of a Concordance or a Commentary.

2028 End - Gabriel Erb - 2019-07-12
God created a game - it’s called The Game of Life. Planet Earth is the playing field, the 10 love commandments are the rules, and we humans are the players who can win or lose. The game is played by two teams, like the game of football. One team’s head coach is Jesus and the other team’s head coach is Satan. All of us on earth are playing for one of these two teams! Gabriel Ansley Erb wrote the book "2028 END" in order to fully elucidate God’s game clock scenario for The Game of Life as contained in the game’s
 millennial! Consequently, Creation day 1 "God declared the end from the beginning" (Isaiah 46:10) by using 7 days in the creation event. Each 24 hour creation day foretold of a future 1,000 year period for a total 7,000 year plan God had for The Game of Life to be played on planet earth. And amazingly, to confirm this is all true, God hid a secret prophesy in each creation day foretelling the greatest event He had planned to occur in that day's future millennium! Consequently, Creation day 1 foretold Adam & Eve's fall, which was fulfilled during earth's 1st millennium. Creation day 2 foretold Noah's global flood, which was fulfilled during earth's 2nd millennium. Creation day 3 foretold Moses' Red Sea parting, which was fulfilled during earth's 3rd millennium. Creation day 4 foretold of John the Baptist & Jesus Christ, and so they lived and died during earth's 4th millennium. And the prophecies continue with each Creation day! Gabriel proves all of the above, carefully revealing the prophetic Scriptures as well as the fulfillment Scriptures. Then he reveals a dozen Scriptures proving Christ died earth's 4,000 year and will return earth's 6,000 year. Finally, he proves Christ died Feast of Passover AD 28 and will return Feast of Trumpets 2028. For those who read this book, it is an open and shut case: The Game of Life will end 2,000 years from the year of Christ's death on the cross - AD 2028.

The book that inspired the major History Channel special God Code shows there is more to the Bible than meets the eye—messages from God hidden for ages, now revealed by modern computer technology. In God Code, antiquities expert Timothy P. Smith reveals his decades-long quest to understand the complex messages he discovered in an ancient Hebrew manuscript of the Bible. This painstaking search involves adventure and mystery, but instead of consulting ancient maps to find buried treasure, Smith relied on the data calculation power of modern technology. His quest shows how Scripture is more amazing than we ever dreamed—and that it may even reveal the future of generations living today. God Code reveals: • An encrypted code in Genesis, in the oldest known Hebrew text of the Old Testament, that predicted the birth and resurrection of Jesus. • Scientific evidence that this encrypted code was authored by the divine hand of God. • Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity. • Hidden clues that may lead to the location of long-missing sacred artifacts, such as the Ark of the Covenant. • Insights on why Smith was chosen to uncover this encrypted code. • A dire warning that God wants us to hear—and heed. In the companion History Channel series, the author travels across continents in search of artifacts missing since Bible times—clues to their location revealed in God Code. Previously published as The Chamberlain Key

In this book, you will learn, for the first time, the 6 hidden names of God within the first few verses in the book of Genesis. The names are in Hebrew, but do not worry. I will transliterate as necessary. These names are known by VERY few people. Today, you will learn them for yourself. Although the old testament books are filled with secret names of the divine, the ones in the book of Genesis are of utmost importance. Why? The book of Genesis is the account of divine creation. God manifested the entire universe and it is recounted allegorically and some would say literally, within the pages of Genesis. This significant because the hidden names are the very names God used for creation. By tapping into these names, you will have a piece of the power used in the Genesis of the universe. You can use the power of Genesis, to manifest whatever it is you require in your life. It is, after all, the book of creation Isn't it?

Da Vinci Code Decoded - Martin Lunn - 2004
Da Vinci Codes is a modern-day publishing phenomenon. With millions of copies in print, it is the most popular adult novel of the 21st Century. In an introductory note, author Dan Brown tells us that “all descriptions of documents and secret rituals . . . are accurate.” But are they? Many scholars and theologians have attacked the book and the “facts” on which it is based. Some claim that Brown is anti-Catholic. Book clubs, reading groups, dedicated web-sites and countless reviews and articles in magazines and newspapers worldwide have fueled the fire, making Da Vinci Codenot only the most successful book of its kind ever, but also the most controversial. Now Martin Lunn, an expert historian, reveals the truth behind Dan Brown’s research. The reality of Catholic offshoot Opus Dei . . . the hard facts about the bloodline of Christ and King David . . . the origins of the Knights Templar and the infamous Priory of Sion . . . the secrets of Temple Church and Rosslyn Cathedral . . . the real Saunière . . . the mysteries of Rennes-le-Château and much more. Da Vinci Code Decoded also provides an exhaustive tour of the locations visited by the novel’s characters.
The Gospel of Jesus Decoded - Michael Bowes - 2013-04
Imagine the excitement if the Ark of the Covenant, the True Cross or the Holy Grail were found after all these years? The effect would be sensational to say the least! A scriptural discovery of that magnitude has occurred. I am certain that the authentic and original meaning of the message of Christ has been rediscovered; a message that bears little resemblance to commonly accepted Christian theology. As audacious as this claim may sound it is authenticated by the evidence provided in the Gospel of Jesus Decoded. The original message of Jesus was lost in translation, couched in symbol and concealed by metaphor. But the innermost secret that was hidden in the Hebrew word Shem and lost in time has been deciphered once again. A lifetime of religious studies, years of intense spiritual practices, as well as incredible luck have resulted in this astounding discovery which illuminates the essential elements of the message of Jesus, revealing the deepest secrets of the meaning of Christ. Apparently lost for centuries these findings which have been distilled from canonical texts and complimented by evidence from multiple sources, including the Yogic and Vedic tradition, reveal the incredible potential of humanity and have the power to eventually transform mainstream Christian theology.

Decoding the Prophet Jeremiah - Mark Biltz - 2020-10-06
Could an ancient prophet hold a present key that will reveal the future? Jeremiah was an Old Testament voice, but he still speaks to our day. Alone and living in a time of chaos, he was a prophet and Levitical priest whose fellow priests and prophets wanted him dead. In fact, everyone wanted him dead—the political leaders, his neighbors, and even his family. At twenty-three years old Jeremiah was told to speak truth to power and not to worry what the consequences may be. God told him that people love to praise the Lord but refuse to do what He says. In spite of the judgments cascading upon the heads of the inhabitants of Jerusalem, the Lord promised a new covenant with Israel and Judah that would revolutionize their walk with Him. In Decoding the Prophet Jeremiah you will discover the following: The warnings from God in Jeremiah’s day are for our generation as well. Even when you feel betrayed by everyone, there is still hope. God keeps His covenant and will never leave you or forsake you. This book is a clarion call to all believers. We need to see the bigger picture: it is not about us but about God’s heart and God’s kingdom. God is looking for warriors who are about advancing His kingdom by storming the gates of hell and setting His sons and daughters free from the clutches of the greatest narcissist of all time. Mark Biltz unpacks two books of the Bible written by the prophet Jeremiah: the Book of Lamentations and the Book of Jeremiah. Biltz has uncovered fascinating Hebraic codes within Lamentations, making this a truly unique message for readers. This book will encourage you to persevere in your faith despite cultural shifts and pressures, much like what the prophet Jeremiah did.

**Tithes & Offering Decoded**  
Laci Prekker  
2021-07-16

Tithing still remains one of the most debatable topics within the realms of Christianity. It's a fact that pastors prey on the gullibility of their congregants, aptly backed by their shallow minds to squeeze their hard-earned money from them by quoting obsolete scriptures to carry out their schemes. There are several verses in the Bible that show Christians-followers of Christ are not mandated to pay tithes. But interestingly, these same Christians allow their pastors whom they hold as demigods to interpret the verses for them. What aren't preachers telling us about their demands for tithes and their requests for offerings? The short answer is we're being deceived, bullied, and manipulated. The longer answer is this book. It asks tough questions and provides biblical and common sense answers.

Here are the chapter titles:

- Why the System of Mandatory Tithes and Manipulated Offerings Must Be Destroyed  
- The Psychology of Clergy Financial Manipulation  
- The Crisis of Crisis Giving  
- How Much Does It Cost the American Church to Preach the Gospel?  
- How Much Did It Cost Jesus to Preach the Gospel?  
- How Much Did It Cost the Early Church to Preach the Gospel?  
- The Creation and Rise of the Financial Tithe  
- Answers to Pre-Law Arguments for Mandatory New Testament Tithes  
- The Definition of Tithes During the Period of the Law of Moses  
- Who Paid Tithes Under the Law of Moses?  
- The Law of Tithing and the Tithing Holiday  
- The Most Abused Scriptures in the Bible: Malachi 3:8-11  
- Understanding the Original Sabbath Helps Us Understand the Original Tithe  
- Man Was Not Made for the Sabbath-Or the Tithe  
- The Law of Human Need is Superior to the Law of the Tithe  
- The Gospels Do Not Endorse Christian Tithing  
- The New Testament Condemns Christian Tithing  
- The Apostles Condemned Legalism (and thus Christian Tithing) in the Early Church  
- No Christian Tithing in Hebrews 7  
- Jesus is the Last Legitimate Tithe  
- Christians Must Give According to the Law of Love

**Finding Jesus in the Old Testament** - David Limbaugh - 2015-11-09
A New York Times Bestseller! In Finding Jesus in the Old Testament, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ’s arrival through all thirty-nine Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With that key, and with Limbaugh as a deft guide, readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ’s arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament’s thirty-nine books: the power, wonder, and everlasting love of Jesus Christ. Previously published under the title The Emmaus Code.

seven years of Daniel's prophecy of seventy-sevens of weeks? Is the "rapture" teaching true or false? What are the seven heads and ten horns on the dragon? Is there a literal 1000 years between Armageddon and Judgment? When is the war of Gog/Magog?

The Book of Revelation Decoded - Mary Lewis - 2011-05
The Book of Revelation DECODED will challenge the most popular end-time prophecy doctrines of the day with a fresh look at what the Bible and Spirit of YHVH teaches. What makes The Book of Revelation DECODED uniquely different from all other commentaries and studies of the Revelation of Jesus Christ are three of the most important interpretive points of the Revelation: five distinctive subject divisions in its outline, five views of the resurrection focusing on the five aspects of resurrection (rapture), and four subject divisions of the scroll with seven seals clearly eliminating five of the seals as the Tribulation period of Daniel's seventy-sevens of years. Paying close attention to context and Biblical purpose, author, Mary Lewis, integrates over 450 Scripture quotes from 47 books of the Bible into her insightful narration providing definitive Bible answers. For added visual understanding, Ms. Lewis uses twenty-three tables and images graphically depicting many prophetic symbols and word imagery, such as God's Hebrew personal name, YHVH, and the entirety of Daniel's prophecy of seventy-sevens of weeks. The Book of Revelation DECODED reveals fresh and understandable Biblical answers to the most difficult prophecy questions: Who are the 144,000? Will the church go through the tribulation period? What nation will produce the antichrist of the tribulation period? What do the seven seals of Revelation's seven sealed scroll mean? Do the seven seals represent the last seven years of Daniel's prophecy of seventy-sevens of weeks? Is the "rapture" teaching true or false? What are the seven heads and ten horns on the dragon? Is there a literal 1000 years between Armageddon and Judgment? When is the war of Gog/Magog?

The Daniel Prophecies Decoded - Ronald Warncke - 2014-02-01
This book brings together irrefutable verification for the healthcare system based upon the teachings of the only Christian religion in the entire history of mankind that it's founding and establishment was prophesied down to the
hidden in the Scriptures for nearly two thousand Testament's Book of Daniel. The accuracy of all these prophecies is beyond mere coincidence, but instead reflects the divine design of Biblical prophecy. The analysis presented is not based upon theological speculation, theory or opinion. Instead it based entirely upon accepted Scriptural authority and historical facts. God's healthcare system is founded upon the teachings and practice of God's healing power as recorded in the Scriptures. God's healing power was demonstrated by the Old Testament prophets Abraham, Moses, Elijah, Elisha and Isaiah. It was the same healing power that Christ Jesus demonstrated when he healed thousands of people. He also taught his Disciples how to heal and they in turn taught it to the early Christians. However, by the Third Century the early Christians were no longer practicing the healing power of God. The restoration of the practice of God's "healthcare system" was prophesied in the Old Testament's Book of Daniel. In order to reestablish "God's healthcare system" lost in the Third Century a new Christian religion had to be founded and established. The basis for the teachings of this "new religion" would be a textbook written in accordance with prophecies found in the Book of Daniel. Daniel's Messianic Prophecy(tm) is for the coming of the long awaited Jewish "Messiah the Prince." (See Daniel 9:21 -25) There are ten other prophecies in the Book of Daniel. Each prophecy has a specific purpose in God's Divine Design to bring His Law of healing and salvation to all mankind in order to change the world. Two of these prophecies specified exactly when the book that would restore "primitive Christian healing" would be written. This book explains precisely how this happened. The accuracy and precision of the Bible's Divine Design also means that the proofs revealed in this work are irrefutable. The first four of the ten prophecies were for the rise and fall of the ancient empires that laid the foundation for the Fifth Prophecy which was for the coming of the "Prince of princes" who was Christ Jesus the Jewish Messiah. It also confirmed that his followers would establish Christendom by "breaking without hand" the power of the Roman Empires pagan religions. (See Daniel 8:20-25 KJV) Daniel's Sixth through the Ninth Prophecies are for the coming of Jesus Christ's prophesied Comforter that would restore "primitive Christian healing." Each prophecy will be decoded by using the Wilderness Key(tm) to reveal the messages five hundred years. The Tenth Prophecy was that the American entry into World War II would begin in 1941 with the Japanese attack at Pearl Harbor on December 7, 1941. The prophecy confirmed that the final orders to end the War would be for Special Bombing Mission #13 issued on August 2, 1945 exactly a "thousand three hundred and five and thirty days" later. The Tenth Prophecy or Rosetta Prophecy(tm) independently confirms Daniel's Sixth through the Ninth Prophecies to be for the "Second Coming" of Jesus Christ's healing ministry as "another Comforter" that he prayed, promised and prophesied the "Father" would send. The Messianic Prophecy(tm) and each of the last five prophecies will be "unlocked" and "relocked" with the Wilderness Key(tm) to reveal the encrypted messages that will change the world with Christian healing. The book concludes with a startling discovery concerning the Age of Prophecy(tm) to be revealed on the coming Easter Sunday on April 1, 2018.

This book brings together irrefutable verification for the healthcare system based upon the teachings of the only Christian religion in the entire history of mankind that it's founding and establishment was prophesied down to the miniscule precision of a nanosecond in the Old Testament's Book of Daniel. Who Wrote the Dead Sea Scrolls? - Norman Golb - 2013-02-01
Dr. Norman Golb's classic study on the origin of the Dead Sea Scrolls is now available online. Since their earliest discovery in 1947, the Scrolls have been the object of fascination and extreme controversy. Challenging traditional dogma, Golb has been the leading proponent of the view that the Scrolls cannot be the work of a small, desert-dwelling fringe sect, as various earlier scholars had claimed, but are in all likelihood the remains of libraries of various Jewish groups, smuggled out of Jerusalem and hidden in desert caves during the Roman siege of 70 A. D. Contributing to the enduring debate sparked by the book's original publication in 1995, this digital edition contains additional material reporting on new developments that have led a series of major Israeli and European archaeologists to support Golb's basic conclusions. In its second half, the book offers a detailed analysis of the workings of the scholarly monopoly that controlled the Scrolls for many years, and discusses Golb's role in the struggle to make the texts available to the public. Pleading for an end to academic politics and a commitment to the search for truth in scrolls scholarship, Who Wrote the Dead Sea Scrolls? sets a new standard for studies in intertestamental history. "This book is 'must reading'. It demonstrates how a particular interpretation of an ancient site and particular readings of ancient documents became a straitjacket for subsequent discussion of what is arguably the most widely publicized set of discoveries in the history of biblical archaeology," Dr. Gregory T. Armstrong, 'Church History' Golb "gives us much more than just a fresh and convincing interpretation of the origin and significance of the Qumran Scrolls. His book is also a fascinating case-study of how an idea fixe, for which there is no real historical justification, has for over 40 years dominated an elite coterie of scholars controlling the Scrolls." Fixing God's Torah - B. Barry Levy - 2001-11-08
The Hebrew text of the Torah has never been finalized down to the last letter. This is important not least because Jewish law requires that Torah scrolls read publicly in the synagogue be error-free. Jewish scribes, scholars, and legal authorities have sought to overcome or narrow these differences, but to this day have not completely succeeded in doing so. This book offers an in-depth study of how rabbinic leaders of the past two millennia have dealt with questions about the text's accuracy, presenting numerous authoritative rabbinic sources, many translated here for the first time.

The Twin Deception - Tony Bushby - 2006-12-01
Unlocks the concealed evidence of Jesus' twin brother and reveals how the church contrived for centuries to hide the information from the public. In presenting his argument, Bushby challenges the Christians view at every point and raises additional questions about the role and authority of the church in modern society.
