Early training and influence. Ludwig Mies (he added his mother's surname, van der Rohe, when he had

History of Wrocław - Wikipedia
Wrocław (Czech: Vratislav; German: Breslau) has long been the largest and culturally dominant city in Silesia, and is today the capital of Poland's Lower Silesian Voivodeship. The history of Wrocław starts at a crossroads in Lower Silesia. It was one of the centres of the Duchy and then Kingdom of Poland, and briefly, in the first half of the 13th century, the centre of half of the divided

20th-Century Architecture: History, Movements, Architects
Chicago School of Architecture (1880-1910) The groundbreaking Chicago school of architecture was founded by William Le Baron Jenney (1832-1907), along with a number of other innovative American architects. A centre of high-rise development rather than a school per se, it had no unified set of principles, and buildings created by the members of the school employed many different designs

Bauhaus Design School: History, Teachers
Fortunately, since 1907, the Deutscher Werkbund (the authoritative Association of German national designers) had been actively promoting the reconciliation of craft and industry, so several of the design innovations traditionally associated with the Bauhaus were already partly developed in Germany before the Bauhaus was established. One of the
