Grimm's Fairy Tales

Jacob and Wilhelm Grimm were born on 4 January 1785, and his brother Wilhelm Carl Grimm was born on 24 February 1786. Jacob and Wilhelm Grimm compiled other collections of folk music and folk literature, and Jacob did important work in historical linguistics and philology. However, the brothers eventually encountered a genuine fairy tale curse which requires real courage instead of their

Grinn's Fairy Tales This book contains 209 tales collected by the brothers Grimm. The exact print source is unknown. The etext appears to be based on the translation by Margaret Hunt called Grimm's Household Tales, but it is not identical to her edition (none of the translations are slightly different). The arrangement also differs, and the Grimm's scholarly notes are not included.

The Original Vision of Grimms' Tales in English for the first time when Jacob and Wilhelm Grimm published their 'Children's and Household Tales' in 1812, followed by a second volume in 1815, they had no idea that such stories as Rapunzel, Hansel and Gretel, and Cinderella would become the most celebrated in the world. Yet few people today have the chance to share the tales with the children of the Kingdoms of France and the Holy Roman Empire.

The folklore of the Grimm Brothers and other German storytellers often comes from oral traditions, stories passed from person to person over the years. The Grimm Brothers' version of Cinderella is much more violent than the classic Disney version. It features the same young girl but with a negligent father as well as an abusive stepfamily.

The Brothers Grimm were born in Hanau, Germany. Jacob was born on the 4th of January 1785 and Wilhelm - on the 24th of February 1786. Jacob and Wilhelm Grimm together compiled other collections of folk music and folk literature, and Jacob did important work in historical linguistics and philology.

The Magic of the Brothers Grimm
Once upon a time there lived a woodcutter and his wife. Their early days were lived in bliss in a small wood cottage with their two children, Hansel and Gretel. These two children grew up to be wise beyond their years. Hansel was smart, soft, and charming where Gretel was poetic, cautious, but quick-witted.
