The Gift of Ruin: How Conquering Your Pain Will Lead To Your Purpose - Alison Ezell - 2020-08-28
Every woman grows up with the desire to experience the American Dream. We want a beautiful house, handsome hubby, adorable kids, and a successful career. So we get married, start the business, and begin building the dream. And then life happens. What seemed like the perfect gift has become tainted. The dream we once clung to slowly becomes a nightmare. The remnants of heartache, divorce, loss, and struggle creep into our lives, and we have no clue how to relieve the pain that stems from the broken American Dream. But then something else happens. Your nightmare begins to turn into a dream again. You start to realize that chasing the American Dream isn't all that it was cracked up to be. You begin to embrace your truth by conquering your pain and creating a life filled with purpose. In The Gift of Ruin, Dr. Alison Ezell shares her journey to womanhood. She eloquently discusses Marriage and Relationships, Wealth Building, Mentorship, Leadership, Purpose, Health, and Self Development. Knowing the power of these tools, she wants to equip women with the knowledge to embody each of these entities in their lives successfully. The Gift of Ruin symbolizes that even though some are going through nightmares of chasing the American Dream, there is always a silver lining in the cloud. There is still Purpose in the Pain. There is always a Gift amongst Ruin.

Bright Ruin - Vic James - 2018-10-09
In the “thrilling conclusion”* to the dystopian trilogy that began with Gilded Cage and Tarnished City, the people of Britain rise up against their magically gifted masters. They must break the system—or be broken. MAGIC RUINS. WE RISE. The rules are simple, the system cruel: the lower classes must give ten years in service to Britain’s powerfully gifted rulers. With one uprising crushed by the glittering elite, commoners and aristocrats alike now take sides for a final confrontation. At the center of it all are two ordinary siblings: Abi Hadley and her brother, Luke. Each has reason to hate the ruling Jardine family. Abi, who was once their servant, now seeks revenge for a terrible wrong. Luke was imprisoned on their whim—but his only hope may be an alliance with the youngest and most powerful of the clan, the cold and inscrutable Silyen Jardine. Risking everything to end a bright and shining tyranny, Abi, Luke, and Silyen find themselves bound by a single destiny. Their actions will change their fates—and change the world. But at a cost almost too terrible to contemplate. What price would you pay for freedom? *Library Journal (starred review, Pick of the Month) Look for all three books in the mesmerizing Dark Gifts trilogy: GILDED CAGE • TARNISHED CITY • BRIGHT RUIN Praise for Bright Ruin “Fast-paced, entertaining, and a satisfying end to an epic story [with] dramatic class division based not on mere financial wealth but on a family’s magic.”—Booklist “A triumphant conclusion to this outstanding fantasy series. . . . It will keep you up at night until you finish it, and you’ll take a huge breath as you can’t believe the story is over. If you haven’t read the first two installments, please do so, and then jump into the finale. You’ll fly through them all as you see Britain as you’ve never imagined—and you’ll hope against hope for the freedom that may never come.”—Bookreporter “Rebellion comes to a deadly boil in the final chapter of James’s Dark Gifts alternate history fantasy trilogy (after Tarnished City). . . . [An] intricate tale of ruthless scheming and bloody betrayals backlit by an unquenchable glimmer of hope.”—Publishers Weekly

A Ruin Of Roses - K. F. Breene - 2021-10-10

I could save him, but he would ruin me. The beast. The creature who stalks the forbidden wood. The dragon prince. He has suffered a fate worse than death. We all have. A curse put upon us by the mad king. We are a kingdom locked in time. Shifters unable to feel our animals. Stuck here by a deal between the late king and a demon who seeks our destruction. The only one keeping this kingdom alive is Nyfain, the golden prince to a stolen throne. The last dragon shifter. He's our hope. He's my nightmare. When he catches me trespassing in the forbidden wood, he doesn't punish me with death as he's entitled. He takes me, instead. Forces me back to the castle as his prisoner. Seeks to use me. Apparently I can save him. I can save the whole forgotten kingdom, locked away by the demon king's power. But it would mean taming the monster beneath his skin. It would mean giving myself to him. It would mean my ruin. _ _ _ _ _ This is a dark and sexy Beauty and the Beast retelling featuring a strong heroine, a dangerous anti-hero, and a humorous supporting cast. It is a full length novel at 80k words and suitable for 18+ . This is the beginning of a trilogy and ends on a cliffhanger.

The Book of Ruin - W. G. Hladky - 2018-10

Generations after solar storms sent the world spiraling into a Second Dark Age, descendants of American soldiers defend the last NATO stronghold in Germania. From the Asiatic Steppes comes the mysterious Vucari. NATO sends Senior Chief Loveboy Weir and a team of rangers to investigate. They visit the beautiful city-state of New Reykjavik, mountains where Kazaks use giant eagles to hunt enemies, and a floating monastery where monks protect the Book of Ruin. They also encounter Vladimir the Resurrected, the Vucari's warrior prince, who claims to want peace. Weir struggles to convince NATO not to trust Vladimir. While politicians and clerics make backroom deals to appease Vladimir, Weir prepares for a war he fears is coming

Children of Ruin - Adrian Tchaikovsky - 2019-05-14

The astonishing sequel to Children of Time, the award-winning novel of humanity's battle for survival on a terraformed planet. Thousands of years ago, Earth's terraforming program took to the stars. On the world they called Nod, scientists discovered alien life -- but it was their mission to overwrite it with the memory of Earth. Then humanity's great empire fell, and the program's decisions were lost to time. Aeons later, humanity and its new spider allies detected fragmentary radio signals between the stars. They dispatched an exploration vessel, hoping to find cousins from old Earth. But those ancient terraformers woke something on Nod better left undisturbed.

Ruin - John Gwynne - 2015-10-13

The Banished Lands are engulfed in war and chaos. The cunning Queen Rhin has conquered the west and High King Nathair has the cauldron, most powerful of the seven treasures. At his back stands the scheming Calidus and a warband of the Kadoshim, dread demons of the Otherworld. They plan to bring Asroth and his host of the Fallen into the world of flesh, but to do so they need the seven treasures. Nathair has been deceived but now he knows the truth. He has choices to make, choices that will determine the fate of the Banished Lands. Elsewhere the flame of resistance is growing - Queen Edana finds allies in the swamps of Ardan. Maquin is loose in Tenebral, hunted by Lykos and his corsairs. Here he will witness the birth of a rebellion in Nathair's own realm. Corban has been swept along by the tide of war. He has suffered, lost loved ones, sought only safety from the darkness. But he will run no more. He has seen the face of evil and he has set his will to fight it. The question is, how? With a disparate band gathered about him - his family, friends, giants, fanatical warriors, an angel and a talking crow he begins the journey to Drassil, the fabled fortress hidden deep in the heart of Forn Forest. For in Drassil lies the spear of Skald, one of the seven treasures, and here it is prophesied that the Bright Star will stand against the Black Sun.

A Touch of Ruin - Scarlett St. Clair - 2020-04-23

The second in the captivating Hades and Persephone series from fan-favorite bestselling author Scarlett St. Clair. "Are you saying you wouldn't fight for me?" Hades sighed and brushed his finger along her cheek. "Darling, I would burn this world for you." Persephone's relationship with Hades has gone public and the resulting media storm disrupts her normal life and threatens to expose her as the Goddess of Spring. To add to her troubles, everyone seems eager to warn Persephone away from the God of the Dead by exposing his hellish past. Things only get worse when a horrible tragedy leaves Persephone's heart in ruin and Hades refusing to help. Desperate, she takes matters into her own hands, striking bargains that lead to severe consequences. Faced with a side of Hades she never knew, and crushing loss, Persephone wonders if she can truly become Hades's queen.

A Touch of Ruin - Scarlett St. Clair - 2020-04-23

The second in the captivating Hades and Persephone series from fan-favorite bestselling author Scarlett St. Clair. "Are you saying you wouldn't fight for me?" Hades sighed and brushed his finger along her cheek. "Darling, I would burn this world for you." Persephone's relationship with Hades has gone public and the resulting media storm disrupts her normal life and threatens to expose her as the Goddess of Spring. To add to her troubles, everyone seems eager to warn Persephone away from the God of the Dead by exposing his hellish past. Things only get worse when a horrible tragedy leaves Persephone's heart in ruin and Hades refusing to help. Desperate, she takes matters into her own hands, striking bargains that lead to severe consequences. Faced with a side of Hades she never knew, and crushing loss, Persephone wonders if she can truly become Hades's queen.

Kings of Ruin - Daniel Arenson -

Game of Thrones meets Spartacus in a new fantasy saga from a USA Today bestselling author. In an ancient world of sand and splendor, an empire awakens. Aelar, a mighty nation, spreads its tentacles. Its oared galleys storm the seas, and the waters run red with blood. Its legionaries swarm desert ruins, smiting barbarian hordes. Its crosses line the roadsides, displaying the dying flesh of heroes. The Aelarian Empire rises. The old world falls. The powerful Sela family has avoided the empire until now. The family has carved out an idyllic life between sea and desert, ruling a bustling port, a thriving city, and lush vineyards. Yet when an imperial fleet arrives in their harbor, everything the Sela family has built threatens to collapse. Sweeping from snowy forests to cruel deserts, from bazaars of wonder to fields of war, here is a tale of legionaries and lepers, priests and paupers, kings and crows. Here a girl travels across endless dunes, seeking magic; a cruel prince struggles to claim a bloodstained throne; and a young soldier fights to hold back an overwhelming host. As the empire spreads, the fate of the Sela family--and of all civilization--stands upon a knife's edge, for under the storm of war, even the greatest nations are but kingdoms of sand.

Reign of Ruin - Jennifer Bene - 2019-05-15

'The priests want me to thank God, but the only thing I pray for is death.' There is nothing before Eden. Just flashes of a time before Danielle woke up in chains, in hell, to be violated and broken. Over, and over, and over. They say that God honors those who serve, that each baptism is a gift, but all Danielle wants is to die. Eden has other plans.

Sea of Ruin - Pam Godwin - 2020-04-28

"Beautiful, soul-shattering, and utterly delicious." ~ Ilsa Madden-Mills, Wall Street Journal, New York Times, and USA Today bestselling author Bennett Sharp is on the run. Wanted for piracy, she fears neither God nor death nor man. Except Priest Farrell. The unfaithful, stormy-eyed libertine hunts her with terrifying possessiveness. Nothing will stop him from coming for her. Not his unforgivable betrayal. Not when she's captured by the ice-cold pirate hunter, Lord Ashley Cutler. She must escape Ashley's prison and Priest's deceit. But can she walk away from their twisted desires? Two gorgeous captains stand on opposite sides of the law. When they collide in a battle to protect her, the lines blur between enemies and lovers. Passion heats, secrets unravel, and hearts entangle until they break. Can love prevail in the sea of ruin? Contains: pirates, Caribbean, British literature, dark historical romance, American colonies, American history, Golden Age of Piracy, action and adventure, alpha male, anti-hero, dark romance

Garden of Thorns - Amber Mitchell - 2017-03-06

“A tense, fast-paced fantasy.” —Taylor Fenner, author of *The Haunting Love* After seven grueling years of captivity in the Garden—a burlesque troupe of slave girls—sixteen-year-old Rose finds an opportunity to escape during a performance for the emperor. But the hostage she randomly chose from the crowd to aid her isn't one of the emperor's men—not anymore. He's the former heir to the throne, who is now leading a rebellion against it. Rayce is a wanted man and dangerously charismatic, the worst person for Rose to get involved with, no matter what his smile promises. But he assumes Rose's attempt to take him hostage is part of a plot to crush the rebellion, so he takes her as his hostage. Now Rose must prove where her loyalties lie, and she offers Rayce a deal—if he helps her rescue the other girls, she'll tell him all the Garden's secrets. Except the one secret she's kept for seven years that she'll take to her grave if she must. The *Garden of Thorns* series is best enjoyed in order. Book #1 *Garden of Thorns* Book #2 *War of the Wilted*

Children of Time - Adrian Tchaikovsky - 2018-09-18

Adrian Tchaikovsky's award-winning novel *Children of Time*, is the epic story of humanity's battle for survival on a terraformed planet. Who will inherit this new Earth? The last remnants of the human race left a dying Earth, desperate to find a new home among the stars. Following in the footsteps of their ancestors, they discover the greatest treasure of the past age - a world terraformed and prepared for human life. But all is not right in this new Eden. In the long years since the planet was abandoned, the work of its architects has borne disastrous fruit. The planet is not waiting for them, pristine and unoccupied. New masters have turned it from a refuge into mankind's worst nightmare. Now two civilizations are on a collision course, both testing the boundaries of what they will do to survive. As the fate of humanity hangs in the balance, who are the true heirs of this new Earth?

Press Reset - Jason Schreier - 2021-05-11

From the bestselling author of *Blood, Sweat, and Pixels* comes the next definitive, behind-the-scenes account of the video game industry: how some of the past decade's most renowned studios fell apart—and the stories, both triumphant and tragic, of what happened next. Jason Schreier's groundbreaking reporting has earned him a place among the preeminent investigative journalists covering the world of video games. In his eagerly anticipated, deeply researched new book, Schreier trains his investigative eye on the volatility of the video game industry and the resilience of the people who work in it. The business of videogames is both a prestige industry and an opaque one. Based on dozens of first-hand interviews that cover the development of landmark games—*Bioshock Infinite*, *Epic Mickey*, *Dead Space*, and more—on to the shocking closures of the studios that made them, *Press Reset* tells the stories of how real people are affected by game studio shutdowns, and how they recover, move on, or escape the industry entirely. Schreier's insider interviews cover hostile takeovers, abusive bosses, corporate drama, bounced checks, and that one time the Boston Red Sox's Curt Schilling decided he was going to lead a game studio that would take out *World of Warcraft*. Along the way, he asks pressing questions about why, when the video game industry is more successful than ever, it's become so hard to make a stable living making video games—and whether the business of making games can change before it's too late.

The Ruin of Kings - Jenn Lyons - 2019-02-05

"Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."—Lev Grossman, author of *The Magicians* When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the *Chorus of Dragons* series with *The Ruin of Kings*, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire.

Glorious Ruin - Tullian Tchividjian - 2012-10-01

In this world, one thing is certain: Everybody hurts. Suffering may take the form of tragedy, heartbreak, or addiction. Or it could be something more mundane (but no less real) like resentment, loneliness, or disappointment. But there's unfortunately no such thing as a painless life. In *Glorious Ruin*, best-selling author Tullian Tchividjian takes an honest and refreshing look at the reality of suffering, the ways we tie ourselves in knots trying to deal with it, and the comfort of the gospel for those who can't seem to fix themselves—or others. This is not so much a book about Why God allows suffering or even How we should approach suffering—it is a book about the tremendously liberating and gloriously counterintuitive truth of a God who suffers with you and for you. It is a book, in other words, about the kind of hope that takes the shape of a cross.

Queen of Ruin - Tracy Banghart - 2019-07-02

A fierce fantasy sequel full of sisterhood, heart-pounding action, betrayal, and royal intrigue, perfect for fans of *The Belles and Caraval*. When the new, brutal Superior banishes Nomi from Bellaqua, she finds herself powerless and headed towards her all-but-certain death. Her only hope is to find her sister, Serina, on the prison island of Mount Ruin. But when Nomi arrives, it is not the island of conquered, broken women that they expected. It is an island in the grip of revolution, and Serina—polite, submissive Serina—is its leader. Betrayal, grief, and violence have changed both sisters, and the women of Mount Ruin have their sights set on revenge beyond the confines of their island prison. They plan to sweep across the entire kingdom, issuing in a new age of freedom for all. But first they'll have to get rid of the new Superior, and only Nomi knows how. Separated once again, this time by choice, Nomi and Serina must forge their own paths as they aim to tear down the world they know, and build something better in its place. The stakes are higher and the battles bolder in Tracy Banghart's unputdownable sequel to *Grace and Fury*.

Gilded Cage - Vic James - 2017-02-14

MAGIC RULES. WE SERVE. In a darkly fantastical debut set in modern-day Britain, magic users control everything: wealth, politics, power—and you. If you're not one of the ultimate one-percenters—the magical elite—you owe them ten years of service. Do those years when you're old, and you'll never get through them. Do them young, and you'll never get over them. This is the darkly decadent world of *Gilded Cage*. In its glittering milieu move the all-powerful Jardines and the everyday Hadleys. The families have only one thing in common: Each has three children. But their destinies entwine when one family enters the service of the other. They will all discover whether any magic is more powerful than the human spirit. Have a quick ten years. . . . Look for all three books in the mesmerizing *Dark Gifts* trilogy: GILDED CAGE • TARNISHED CITY • BRIGHT RUIN Praise for *Gilded Cage* “Beautifully characterised and compellingly plotted, *Gilded Cage* is an impressive debut.”—The Guardian “Exquisitely wicked . . . a lavishly opulent, yet brutally vivid, alternate England which subtly questions modern beliefs . . . If ever there was a speculative fiction book that captured the zeitgeist of an era this is it.”—SFFWorld “An alternate modern-day England where enticing drama and social unrest mix with aristocratic scandal and glamorous magic . . . conjuring up the specters of *Les Misérables* and *Downton Abbey* . . . an absorbing first installment that presages an intriguing new fantasy series.”—Kirkus Reviews “*Gilded Cage* is a heart-pounding combination of dark magic, political revolution, and forbidden romance that had me addicted from

deliciously dark with lashings of magic, mystery, and mayhem, this juggernaut of a book will keep you hanging on by your fingernails until the very last page.”—Taran Matharu, New York Times bestselling author of the Summoner series “A dark and intriguing vision of an alternate, magic-drenched Britain, Gilded Cage kept me up long into the night.”—Aliette de Bodard, author of The House of Shattered Wings

The Mushroom at the End of the World - Anna Lowenhaupt Tsing - 2021-06-08

What a rare mushroom can teach us about sustaining life on a fragile planet Matsutake is the most valuable mushroom in the world—and a weed that grows in human-disturbed forests across the Northern Hemisphere. Anna Lowenhaupt Tsing’s account of these sought-after fungi offers insights into areas far beyond just mushrooms and addresses a crucial question: What manages to live in the ruins we have made? The Mushroom at the End of the World explores the unexpected corners of matsutake commerce, where we encounter Japanese gourmets, capitalist traders, Hmong jungle fighters, Finnish nature guides, and more. These companions lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human devastation. The Mushroom at the End of the World delves into the relationship between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.

The Mushroom at the End of the World - Anna Lowenhaupt Tsing - 2021-06-08

What a rare mushroom can teach us about sustaining life on a fragile planet Matsutake is the most valuable mushroom in the world—and a weed that grows in human-disturbed forests across the Northern Hemisphere. Anna Lowenhaupt Tsing’s account of these sought-after fungi offers insights into areas far beyond just mushrooms and addresses a crucial question: What manages to live in the ruins we have made? The Mushroom at the End of the World explores the unexpected corners of matsutake commerce, where we encounter Japanese gourmets, capitalist traders, Hmong jungle fighters, Finnish nature guides, and more. These companions lead us into fungal

ecologies and forest histories to better understand the promise of cohabitation in a time of massive human devastation. The Empire's Ruin - Brian Staveley - 2021-07-06

Brian Staveley, author of The Emperor's Blades, gives readers the first book in a new epic fantasy trilogy based in the world of his popular series the Chronicle of the Unhewn Throne, The Empire's Ruin. Best of Summer 2021—Polygon The Annurian Empire is disintegrating. The advantages it used for millennia have fallen to ruin. The ranks of the Kettral have been decimated from within, and the kenta gates, granting instantaneous travel across the vast lands of the empire, can no longer be used. In order to save the empire, one of the surviving Kettral must voyage beyond the edge of the known world through a land that warps and poisons all living things to find the nesting ground of the giant war hawks. Meanwhile, a monk turned con-artist may hold the secret to the kenta gates. But time is running out. Deep within the southern reaches of the empire and ancient god-like race has begun to stir. What they discover will change them and the Annurian Empire forever. If they can survive. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Bones of Ruin - Sarah Raughley - 2021-09-07

An African tightrope walker who can't die gets embroiled in a secret society's deadly gladiatorial tournament in this thrilling historical fantasy set in an alternate 1880s London, perfect for fans of The Last Magician and The Gilded Wolves. As an African tightrope dancer in Victorian London, Iris is used to being strange. She is certainly a strange sight for leering British audiences always eager for the spectacle of colonial curiosity. But Iris also has a secret that even “strange” doesn’t capture... She cannot die. Haunted by her unnatural power and with no memories of her past, Iris is obsessed with discovering who she is. But that mission gets more complicated when she meets the dark and alluring Adam Temple, a member of a mysterious order called the Enlightenment Committee. Adam seems to know much more about her than he lets on, and he shares with her a terrifying revelation: the world is ending, and the Committee will decide who lives...and who doesn’t. To help them choose a leader for the upcoming apocalypse, the Committee is holding the Tournament of Freaks, a macabre competition made up of vicious fighters with fantastical abilities. Adam wants Iris to be his champion, and in return he promises her the one thing she wants most: the truth about who she really is. If Iris wants to learn about her

begins to remember—and the more she wonders if the truth is something best left forgotten.
