Using previously unreleased documents, the author reveals new evidence that FDR knew the attack on Pearl Harbor was coming and did nothing to prevent it.

A naval historian draws on newly revealed primary documents to shed light on the tragic errors that led to the devastating attack.
into three parts: the background, eyewitness accounts of the stunning Japanese tactical victory, and the aftermath, which focuses on the Commander, who was blamed for the biggest military disaster in American history. Pearl Harbor Betrayed sheds new light on a crucial and infamous moment in history.

**Pearl Harbor Betrayed** - Michael Gannon - 2014-04-15
A naval historian draws on newly revealed primary documents to shed light on the tragic errors that led to the devastating attack, Washington's role, and the man who took the fall for the Japanese tactical victory. Michael Gannon begins his authoritative account of the "impossible to forget" attack with the essential background story of Japan's imperialist mission and the United States' uncertain responses--especially two lost chances of delaying the inevitable attack until the military was prepared to defend Pearl Harbor. Gannon disproves two Pearl Harbor legends: first, that there was a conspiracy to withhold intelligence from the Pacific Commander in order to force a Pacific war, and second, that Admiral Kimmel was informed but failed to act. Instead, Gannon points to two critical factors ignored by others: that information about the attack gleaned from the "Magic" code intercepts was not sent to Admiral Kimmel, and that there was no possibility that Kimmel could have defended Pearl Harbor because the Japanese were militarily far superior to the American forces in December of 1941. Gannon has divided the story

Pearl Harbor Betrayed sheds new light on a crucial and infamous moment in history.

**Imprisoned** - Martin W. Sandler - 2013-08-27
Drawing from interviews and oral histories, chronicles the history of Japanese American survivors of internment camps.

**A Matter of Honor** - Anthony Summers - 2016-11-15
On the seventy-fifth anniversary, the authors of Pulitzer Prize finalist The Eleventh Day unravel the mysteries of Pearl Harbor to expose the scapegoating of the admiral who was in command the day 2,000 Americans died, report on the continuing struggle to restore his lost honor—and clear President Franklin D. Roosevelt of the charge that he knew the attack was coming. The Japanese onslaught on Pearl Harbor on December 7, 1941 devastated Americans and precipitated entry into World War II. In the aftermath, Admiral Husband Kimmel, Commander-in-Chief of the Pacific Fleet, was relieved of command, accused of negligence and
Understandings of this pivotal event. The book Admiral defended his actions through eight investigations and for the rest of his long life. The evidence against him was less than solid. High military and political officials had failed to provide Kimmel and his Army counterpart with vital intelligence. Later, to hide the biggest U.S. intelligence secret of the day, they covered it up. Following the Admiral’s death, his sons—both Navy veterans—fought on to clear his name. Now that they in turn are dead, Kimmel’s grandsons continue the struggle. For them, 2016 is a pivotal year. With unprecedented access to documents, diaries and letters, and the family’s cooperation, Summers’ and Swan’s search for the truth has taken them far beyond the Kimmel story—to explore claims of duplicity and betrayal in high places in Washington. A Matter of Honor is a provocative story of politics and war, of a man willing to sacrifice himself for his country only to be sacrificed himself. Revelatory and definitive, it is an invaluable contribution to our

includes forty black-and-white photos throughout the text.

Countdown to Pearl Harbor - Steve Twomey - 2016-11
"A Pulitzer Prize-winning reporter chronicles the 12 days leading up to the Japanese attack on Pearl Harbor, examining the miscommunications, clues, missteps and racist assumptions that may have been behind America's failure to safeguard against the tragedy,"--NoveList.

Scapegoats - Edward Latimer Beach - 1995
But he does present ample proof that by early morning in Washington on December 7, authorities in the Army, Navy, and State Departments, as well as the White House, knew
“was up to some devilment” on that very day. Moreover, Beach says, they had seen it coming all week and were derelict in their duty to inform field commanders that things were rapidly coming to a head.

**Scapegoats** - Edward Latimer Beach - 1995
But he does present ample proof that by early morning in Washington on December 7, authorities in the Army, Navy, and State Departments, as well as the White House, knew positively through special intelligence, that Japan "was up to some devilment" on that very day. Moreover, Beach says, they had seen it coming all week and were derelict in their duty to inform field commanders that things were rapidly coming to a head.

**Pearl Harbor** - 1992-03

**Pearl Harbor** - 1992-03

Americans have long debated the cause of the December 7, 1941 bombing of Pearl Harbor. Many have argued that the attack was a brilliant Japanese military coup, or a failure of U.S. intelligence agencies, or even a conspiracy of the Roosevelt administration. But despite the attention historians have paid to the bombing of Pearl Harbor, the truth about that fateful day has remained a mystery—until now. In Operation Snow: How a Soviet Mole in FDR’s White House Triggered Pearl Harbor, author John Koster uses recently declassified evidence and never-before-translated documents to tell the real story of the day that FDR memorably declared would live in infamy, forever. Operation Snow shows how Joseph Stalin and the KGB used a vast network of double-agents and communist sympathizers—most notably, Harry Dexter White—to lead Japan into war against the United States, demonstrating incontestable Soviet involvement behind the bombing of Pearl Harbor.
A thrilling tale of espionage, mystery and war, Operation Snow will forever change the way we think about Pearl Harbor and World War II.

**Operation Snow** - John Koster - 2012-09-17

**Under the Blood-red Sun** - Graham Salisbury - 2014-09-09

Tomikazu Nakaji's biggest concerns are baseball, homework, and a local bully, until life with his Japanese family in Hawaii changes drastically after the bombing of Pearl Harbor in December 1941.
Following Pearl Harbor, Admiral Husband Kimmel, commander of the Pacific Fleet, and General Walter Short, commander of the U.S. Army’s Hawaiian Department, were accused of dereliction of duty and relieved of their commands. Hours after the attack, General Douglas MacArthur, in command of the Philippines, suffered a similar defeat and was awarded the Medal of Honor. This book re-examines the circumstances surrounding Pearl Harbor to answer the questions: were Kimmel and Short incompetent officers or convenient scapegoats; and was the attack really the surprise the Roosevelt administration led Americans to believe?

Reassessing Pearl Harbor - James Johns - 2017-02-24
Following Pearl Harbor, Admiral Husband Kimmel, commander of the Pacific Fleet, and General Walter Short, commander of the U.S. Army’s Hawaiian Department, were accused of dereliction of duty and relieved of their commands. Hours after the attack, General Douglas MacArthur, in command of the Philippines, suffered a similar defeat and was awarded the Medal of Honor. This book re-examines the circumstances surrounding Pearl Harbor to answer the questions: were Kimmel and Short incompetent officers or convenient scapegoats; and was the attack really the surprise the Roosevelt administration led Americans to believe?

Pearl Harbor - Craig Nelson - 2016-09-20
“A valuable reexamination” (Booklist, starred review) of the event that changed twentieth-century America—Pearl Harbor—based on years of research and new information uncovered by a New York Times bestselling author. The America we live in today was born, not on July 4, 1776, but on December 7, 1941, when an armada of 354 Japanese warplanes supported by aircraft carriers, destroyers, and midget submarines
research, interviews, and personal experiences States, killing 2,403 men—and forced America’s entry into World War II. Pearl Harbor: From Infamy to Greatness follows the sailors, soldiers, pilots, diplomats, admirals, generals, emperor, and president as they engineer, fight, and react to this stunningly dramatic moment in world history. Beginning in 1914, bestselling author Craig Nelson maps the road to war, when Franklin D. Roosevelt, then the Assistant Secretary of the Navy, attended the laying of the keel of the USS Arizona at the Brooklyn Navy Yard. Writing with vivid intimacy, Nelson traces Japan’s leaders as they lurch into ultranationalist fascism, which culminates in their scheme to terrify America with one of the boldest attacks ever waged. Within seconds, the country would never be the same. Backed by a research team’s five years of work, as well as Nelson’s thorough re-examination of the original evidence assembled by federal investigators, this page-turning and definitive work “weaves archival from both sides into a blow-by-blow narrative of destruction liberally sprinkled with individual heroism, bizarre escapes, and equally bizarre tragedies” (Kirkus Reviews). Nelson delivers all the terror, chaos, violence, tragedy, and heroism of the attack in stunning detail, and offers surprising conclusions about the tragedy’s unforeseen and resonant consequences that linger even today.

**When Can We Go Back to America? - Susan H. Kamei - 2021-09-07**

From Susan H. Kamei and Barry Denenberg, the award-winning author of Ali: An American Champion, comes an engaging new novel that narrates the oral history of Japanese incarceration during World War II, from the perspective of the young people affected. It’s difficult to believe it happened here, in the Land of the Free: After the bombing of Pearl Harbor in 1941, the United States government imprisoned more than one hundred and twenty thousand Japanese Americans living on the Pacific Coast in desolate concentration camps until the end of
desolate concentration camps until the end of
World War II just because of their race. In this
experience are wrapped around the story of their
incarceration and illuminate the frightening
reality of this dark period in American history.
Many of them were children and young adults at
the time. Now, more than ever, this book is
needed for all who care about what it means to
be an American.

**Silent Honor** - Danielle Steel - 2009-02-25

From #1 New York Times bestselling author Danielle Steel, a moving novel of families separated and lives shattered by prejudice during one of the most shameful episodes in American history. A man ahead of his time, Japanese college professor Masao Takashimaya of Kyoto had a passion for modern ideas that was as strong as his wife’s belief in ancient traditions. His eighteen-year-old daughter, Hiroko, torn between her mother’s traditions and her father’s wishes, boarded the SS Nagoya Maru to come to California for an education and to make her father proud. It was August 1941. From the ship, she went to the Palo Alto home of her uncle, Takeo, and his family. To Hiroko, California was a different world. Her cousins had become more American than Japanese. And much to Hiroko’s surprise, Peter Jenkins, her uncle’s assistant at Stanford, became an unexpected link between...

Infamy - Richard Reeves - 2015-04-21
A LOS ANGELES TIMES BESTSELLER • A NEW YORK TIMES BOOK REVIEW EDITOR'S CHOICE

Bestselling author Richard Reeves provides an authoritative account of the internment of more than 120,000 Japanese-Americans and Japanese aliens during World War II. Less than three months after Japan bombed Pearl Harbor and inflamed the nation, President Roosevelt signed an executive order declaring parts of four western states to be a war zone operating under military rule. The U.S. Army immediately began rounding up thousands of Japanese-Americans, sometimes giving them less than 24 hours to vacate their houses and farms. For the rest of the war, these victims of war hysteria were imprisoned in primitive camps. In Infamy, the story of this appalling chapter in American history is told more powerfully than ever before. Acclaimed historian Richard Reeves has interviewed survivors, read numerous private letters and memoirs, and combed through archives to deliver a sweeping narrative of this atrocity. Men we usually consider heroes—FDR, Earl Warren, Edward R. Murrow—were in this case villains, but we also learn of many Americans who took great risks to defend the rights of the internees. Most especially, we hear the poignant stories of those who spent years in "war relocation camps," many of whom suffered this terrible injustice with remarkable grace. Racism, greed, xenophobia, and a thirst for revenge: a dark strand in the American character underlies this story of one of the most shameful episodes in our history. But by recovering the past, Infamy has given voice to those who ultimately helped the nation better understand the true meaning of patriotism.

**American Betrayal** - Diana West - 2013-05-28

In The Death of the Grown-Up, Diana West diagnosed the demise of Western civilization by looking at its chief symptom: our inability to become adults who render judgments of right and wrong. In American Betrayal, West digs deeper to discover the root of this malaise and uncovers a body of lies that Americans have been led to regard as the near-sacred history of World War II and its Cold War aftermath. Part real-life thriller, part national tragedy, American Betrayal lights up the massive, Moscow-directed penetration of America's most hallowed halls of power, revealing not just the familiar struggle between Communism and the Free World, but the hidden war between those wishing to conceal the truth and those trying to expose the increasingly official web of lies. American Betrayal is America's lost history, a chronicle that pits Franklin Delano Roosevelt, Harry Truman, Dwight David Eisenhower, and other American icons who shielded overlapping Communist conspiracies against the investigators, politicians, defectors, and others (including Senator Joseph McCarthy) who tried to tell the American people the truth. American Betrayal shatters the approved histories of an era that begins with FDR's first inauguration, when "happy days" are supposed to be here again, and ends when we "win" the Cold War. It is here, amid the rubble, where Diana West focuses on the World War II--Cold War deal with the devil in which America surrendered her principles in exchange for a series of Big Lies whose preservation soon became the basis of our leaders' own self-preservation. It was this moral surrender to deception and self-deception, West argues, that sent us down the long road to moral relativism, "political correctness," and other
power, revealing not just the familiar struggle hard questions: Does our silence on the crimes of Communism explain our silence on the totalitarianism of Islam? Is Uncle Sam once again betraying America? In American Betrayal, Diana West shakes the historical record to bring down a new understanding of our past, our present, and how we have become a nation unable to know truth from lies.

Pearl Harbor and policies during the war, as well surrender to deception and self-deception, West argues, that sent us down the long road to moral relativism, "political correctness," and other cultural ills that have left us unable to ask the hard questions: Does our silence on the crimes of Communism explain our silence on the totalitarianism of Islam? Is Uncle Sam once again betraying America? In American Betrayal, Diana West shakes the historical record to bring down a new understanding of our past, our present, and how we have become a nation unable to know truth from lies.

**Freedom Betrayed** - George H. Nash - 2013-09-01
Herbert Hoover's "magnum opus"—at last published nearly fifty years after its completion—offers a revisionist reexamination of World War II and its cold war aftermath and a sweeping indictment of the "lost statesmanship" of Franklin Roosevelt. Hoover offers his frank evaluation of Roosevelt's foreign policies before Pearl Harbor and policies during the war, as well as an examination of the war's consequences, including the expansion of the Soviet empire at war's end and the eruption of the cold war against the Communists.

**Unknown Valor** - Martha MacCallum - 2020-02-25
relentless push through the jungles of 75th Anniversary of one of the most critical battles of World War II, the popular primetime Fox News anchor of The Story with Martha MacCallum pays tribute to the heroic men who sacrificed everything at Iwo Jima to defeat the Armed Forces of Emperor Hirohito—among them, a member of her own family, Harry Gray. Admiral Chester Nimitz spoke of the “uncommon valor” of the men who fought on Iwo Jima, one of the bloodiest and most brutal battles of World War II. In thirty-six grueling days, nearly 7,000 Marines were killed and 22,000 were wounded. Martha MacCallum takes us from Pearl Harbor to Iwo Jima through the lives of these men of valor, among them Harry Gray, a member of her own family. In Unknown Valor, she weaves their stories—from Boston, Massachusetts, to Gulfport, Mississippi, as told through letters and recollections—into the larger history of what American military leaders rightly saw as an eventual showdown in the Pacific with Japan. In a

Guadalcanal, over the coral reefs of Tarawa, past the bloody ridge of Peleliu, against the banzai charges of Guam, and to the cliffs of Saipan, these men were on a path that ultimately led to the black sands of Iwo Jima, the doorstep of the Japanese Empire. Meticulously researched, heart-wrenching, and illuminating, Unknown Valor reveals the sacrifices of ordinary Marines who saved the world from tyranny and left indelible marks on those back home who loved them.

Unknown Valor - Martha MacCallum - 2020-02-25
NEW YORK TIMES BESTSELLER. In honor of the 75th Anniversary of one of the most critical battles of World War II, the popular primetime Fox News anchor of The Story with Martha MacCallum pays tribute to the heroic men who sacrificed everything at Iwo Jima to defeat the Armed Forces of Emperor Hirohito—among them, a member of her own family, Harry Gray.
Admiral Chester Nimitz spoke of the “uncommon valor” of the men who fought on Iwo Jima, one of the bloodiest and most brutal battles of World War II. In thirty-six grueling days, nearly 7,000 Marines were killed and 22,000 were wounded. Martha MacCallum takes us from Pearl Harbor to Iwo Jima through the lives of these men of valor, among them Harry Gray, a member of her own family. In Unknown Valor, she weaves their stories—from Boston, Massachusetts, to Gulfport, Mississippi, as told through letters and recollections—into the larger history of what American military leaders rightly saw as an eventual showdown in the Pacific with Japan. In a relentless push through the jungles of Guadalcanal, over the coral reefs of Tarawa, past the bloody ridge of Peleliu, against the banzai charges of Guam, and to the cliffs of Saipan, these men were on a path that ultimately led to the black sands of Iwo Jima, the doorstep of the Japanese Empire. Meticulously researched, heart-wrenching, and illuminating, Unknown Valor reveals the sacrifices of ordinary Marines who saved the world from tyranny and left indelible marks on those back home who loved them.

**Signals Intelligence in World War II** - Donal J. Sexton - 1996-01-01
In 1974 Frederick W. Winterbotham's book "The Ultra Secret" disclosed the Allied success in breaking the German high command ciphers in World War II, and a new form of history began--the study of intelligence and its impact on military operations and international politics. This guide documents and annotates over 800 sources that have appeared in the past 20 years. It examines and evaluates primary and secondary sources dealing with the role of ULTRA and MAGIC in the Pearl Harbor attack, the battles of the Atlantic, Coral Sea, and Midway, and the campaigns in the Mediterranean, Northwest Europe, the Middle East, and the Pacific, as well as in the realm of espionage and special operations. It also covers sources on the Sigint...
It examines and evaluates primary and secondary neutral powers. The book examines and annotates primary and secondary sources on the role of ULTRA and MAGIC in the Pearl Harbor attack, the battles of the Atlantic, Coral Sea, and Midway, and the campaigns in the Mediterranean, Northwest Europe, the Middle East, and the Pacific, as well as in the realm of espionage and special operations. It also provides details on sources concerned with Sigint and cryptanalytic programs of the Axis and neutral powers.

**The Jersey Brothers** - Sally Mott Freeman - 2017-05-09
They are three brothers, all navy men, who end up coincidentally and extraordinarily at the epicenter of three of World War II's most crucial moments. Bill is tapped by Franklin D. Roosevelt to run the first Map Room in Washington. Benny is the gunnery and antiaircraft officer on the USS Enterprise, one of the only ships to escape Pearl Harbor and, by the end of 1942, the last aircraft carrier left in the Pacific to defend against the Japanese. Barton, the youngest, gets a plum commission in the Navy Supply Corps because his mother wants him out of harm's way. But this protection plan backfires when Barton is sent to the Philippines and listed as missing-in-action after a Japanese attack. Now it is up to Bill and Benny to rescue him. Based on ten years of research drawn from archives around the world, interviews with fellow shipmates and POWs, and letters half-forgotten in basements, The Jersey Brothers whisks readers from America's front porches to Roosevelt's White House, from Pearl Harbor to Midway and Bataan, and from the Pacific battlefronts to the stately home of a fierce New Jersey mother. At its heart The Jersey Brothers is a family story, written by one of its own in intimate, novelistic detail. It is a remarkable tale of agony and triumph; of an ordinary young man who shows extraordinary courage as the enemy does everything short of killing him; and of brotherly love tested under the tortures of war."--Jacket.

This is the remarkable story of this “Mata Hari from Minnesota” (Time) and the passions that ruled her tempestuous life—a life filled with dangerous liaisons and death-defying missions vital to the Allied victory. For decades, much of Betty’s career working for MI-6 and the OSS remained classified. Through access to recently unclassified files, Howard Blum discovers the truth about the attractive blond, codenamed “Cynthia,” who seduced diplomats and military attachés across the globe in exchange for ciphers and secrets; cracked embassy safes to steal codes; and obtained the Polish notebooks that proved key to Alan Turing’s success with Operation Ultra. Beneath Betty’s cool, professional determination, Blum reveals a troubled woman conflicted by the very traits that made her successful: her lack of deep emotional connections and her readiness to risk everything.

No Ordinary Time - Doris Kearns Goodwin - 2013-11-05
Presents a social history of the United States in 1940, along with a moment-by-moment account of Roosevelt's leadership and the private lives of the president and First Lady, whose remarkable partnership transformed America. (This book was previously featured in Forecast.)

Pearl Harbor - Henry Clausen - 2001-04-02
In 1944, Secretary of War Henry L. Stimson, knowing that high-ranking members of the military had falsely testified before the various bodies investigating the attack on Pearl Harbor, selected a then-unknown major by the name of Henry C. Clausen to undertake a new investigation. From November 1944 to September 1945, Clausen traveled more than 55,000 miles and interviewed over a hundred U.S. and British Army, Navy, and civilian personnel. He was given the authority to go anywhere and question anyone under oath, from enlisted personnel right up to George C. Marshall, the chief of staff. He ultimately presented an 800 page report to Stimson—a report that revealed a massive operational failure by the United States to use the priceless intelligence signals that it had obtained months before Pearl Harbor. Pearl Harbor is the "final judgement"-the story behind Clausen's investigation and a blistering account of his

Pearl Harbor is the "final judgement"-the story behind Clausen's conclusions.

**Farewell to Manzanar** - Jeanne Wakatsuki Houston - 2002-04-29
During World War II a community called Manzanar was hastily created in the high mountain desert country of California, east of the Sierras. Its purpose was to house thousands of Japanese American internees. One of the first families to arrive was the Wakatsukis, who were ordered to leave their fishing business in Long Beach and take with them only the belongings they could carry. For Jeanne Wakatsuki, a seven-year-old child, Manzanar became a way of life in which she struggled and adapted, observed and grew. For her father it was essentially the end of his life. At age thirty-seven, Jeanne Wakatsuki Houston recalls life at Manzanar through the eyes of the child she was. She tells of her fear, confusion, and bewilderment as well as the dignity and great resourcefulness of people in oppressive and demeaning circumstances.
they could carry. For Jeanne Wakatsuki, a seven-

Houston recalls life at Manzanar through the
eyes of the child she was. She tells of her fear,
confusion, and bewilderment as well as the
dignity and great resourcefulness of people in
oppressive and demeaning circumstances.
Written with her husband, Jeanne delivers a
powerful first-person account that reveals her
search for the meaning of Manzanar. Farewell to
Manzanar has become a staple of curriculum in
schools and on campuses across the country.
Last year the San Francisco Chronicle named it
one of the twentieth century’s 100 best
nonfiction books from west of the Rockies. First
published in 1973, this new edition of the classic
memoir of a devastating Japanese American
experience includes an inspiring afterword by the
authors.

**Poland 1939** - Roger Moorhouse - 2020-07-14
A "chilling" and "expertly" written history of the 1939 September Campaign and the onset of World War II (Times of London). For Americans, World War II began in December of 1941, with the bombing of Pearl Harbor; but for Poland, the war began on September 1, 1939, when Hitler's soldiers invaded, followed later that month by Stalin's Red Army. The conflict that followed saw the debut of many of the features that would come to define the later war-blitzkrieg, the targeting of civilians, ethnic cleansing, and indiscriminate aerial bombing-yet it is routinely overlooked by historians. In Poland 1939, Roger Moorhouse reexamines the least understood campaign of World War II, using original archival sources to provide a harrowing and very human account of the events that set the bloody tone for the conflict to come.

A String of Pearls - Benedict A. Baglio - 2002-10

1942 - Winston Groom - 2007-12-01
America’s first year in World War II, chronicled in this “page-turner” by the Pulitzer Prize-nominated author of Forrest Gump and The Generals (Publishers Weekly). On December 7, 1941, an unexpected attack on American territory pulled an unprepared country into a terrifying new brand of warfare. To the generation of Americans who lived through it, the Second World War was the defining event of the twentieth century, and the defining moments of that war were played out in the year 1942. This account covers the Allies’ relentless defeats as the Axis overran most of Europe, North Africa, and the Far East. But by midyear the tide began to turn. The United States finally went on the offensive in the Pacific. In the West, the British defeated Rommel’s panzer divisions at El Alamein while the US Army began to push the Germans out of North Africa. By the year’s end, the smell of victory was in the air. 1942, told with Winston Groom’s accomplished storyteller’s eye,

Two Homelands (Futatsu no sokoku) tells the powerful story of three brothers during the years surrounding World War II. From the attack on Pearl Harbor to the Pacific War, relocation to
Two Homelands tells the powerful story of three brothers during the years surrounding World War II. From the attack on Pearl Harbor to the Pacific War, relocation to Manzanar, the atomic bombing of Hiroshima, and the Tokyo war crimes trials, we follow the lives of Kenji, Tadashi, and Isamu Amo, the California-born sons of Japanese immigrants. The eldest, Kenji, must grapple with what it means to belong to two nations at war with one another and to face betrayal by both. Tadashi, in school in Japan when war breaks out, is drafted into the Japanese army and renounces his U.S. citizenship. Later Kenji and Tadashi find themselves on opposite sides of a battlefield in the Philippines; although they both survive the conflict, their relationship is destroyed by the war. Isamu, the youngest and the most thoroughly American of the brothers, loves John Wayne movies and gives his life to rescue the lost Texas battalion fighting in France. Popular Japanese novelist Toyoko Yamasaki spent five years interviewing Japanese-Americans and researching documentary sources to assemble the raw material for her book. Through the story of the Amo family, she forces readers to confront the meaning of "love of country" as her characters encounter prejudice and suspicion on both sides of the Pacific. Almost a quarter century after its Japanese publication, this English-language translation affords a valuable opportunity to understand the postwar reassessment of what it means to be Japanese in the modern world.

**The Train to Crystal City** - Jan Jarboe Russell - 2015-01-20

The New York Times bestselling dramatic and never-before-told story of a secret FDR-approved American internment camp in Texas during World War II: “A must-read....The Train to Crystal City is compelling, thought-provoking, and impossible to put down” (Star-Tribune, Minneapolis). During World War II, trains delivered thousands of civilians from the United States and Latin America to Crystal City, Texas. The trains carried Japanese, German, and Italian immigrants and their American-born children.
The only family internment camp during the war, Crystal City was the center of a government
prisoner exchange program called “quiet passage.” Hundreds of prisoners in Crystal City
were exchanged for other more ostensibly important Americans—diplomats, businessmen,
soldiers, and missionaries—behind enemy lines in Japan and Germany. “In this quietly moving
book” (The Boston Globe), Jan Jarboe Russell focuses on two American-born teenage girls,
uncovering the details of their years spent in the camp; the struggles of their fathers; their
families’ subsequent journeys to war-devastated Germany and Japan; and their years-long attempt
to survive and return to the United States, transformed from incarcerated enemies to
American loyalists. Their stories of day-to-day life at the camp, from the ten-foot high security fence
to the armed guards, daily roll call, and censored mail, have never been told. Combining big-
picture World War II history with a little-known event in American history, The Train to Crystal
City reveals the war-time hysteria against the Japanese and Germans in America, the secrets of
FDR’s tactics to rescue high-profile POWs in Germany and Japan, and above all, “is about
identity, allegiance, and home, and the difficulty of determining the loyalties that lie in individual
human hearts” (Texas Observer).

**Dash (Dogs of World War II)** - Kirby Larson - 2014-08-26
New from Newbery Honor author Kirby Larson, the moving story of a Japanese-American girl who is separated from her dog upon being sent to an incarceration camp during WWII. Although Mitsi Kashino and her family are swept up in the wave of anti-Japanese sentiment following the attack on Pearl Harbor, Mitsi never expects to lose her home -- or her beloved dog, Dash. But, as World War II rages and people of Japanese descent are forced into incarceration camps, Mitsi is separated from Dash, her classmates, and life as she knows it. The camp is a crowded and unfamiliar place, whose dusty floors, seemingly endless lines, and barbed wire fences begin to unravel the strong Kashino family ties. With the
remains connected to Dash in spite of the hard times, holding on to the hope that the war will end soon and life will return to normal. Though they've lost their home, will the Kashino family also lose their sense of family? And will Mitsi and Dash ever be reunited? *"This emotionally satisfying and thought-provoking book will have readers pulling for Mitsi and Dash." -KIRKUS REVIEWS, starred review
