Not the Slightest Chance - Tony Banham - 2003
This book represents the first attempt to piece together all existing accounts of the December 1941 Battle of Hong Kong and the fighting between the Garrison and the invading Japanese. Banham makes use of the Garrison's small size -- only 14,000 soldiers -- to weave a historical account from the perspectives of individuals, rather than big battalions. His story covers the fighting phase by phase, and considers the individual actions that made up the battle, the military strategies, and the many controversies that arose both during the struggle and after.

Banham makes use of the Garrison's small size -- only 14,000 soldiers -- to weave a historical account from the perspectives of individuals, rather than big battalions. His story covers the fighting phase by phase, and considers the individual actions that made up the battle, the military strategies, and the many controversies that arose both during the struggle and after.

Not the Slightest Chance - Tony Banham - 2003
More than 10% of Hong Kong's defenders were killed in battle; a further 20% died in captivity. Those who survived seldom spoke of their experiences. Many died young. The little 'primary' material surviving - written in POW camps or years after the events - is contradictory and muddled. Yet with just 14,000 defending the Colony, it was possible to write from the individual's point of view rather than that of the Big Battalions so favoured by God (according to Napoleon) and most historians. The book assembles a phase-by-phase, day-by-day, hour-by-hour, and death-by-death account of the battle. It considers the individual actions that made up the fighting, as well as the strategies and plans and the many controversies that arose. Not the Slightest Chance will be of interest to military historians, Hong Kong residents and visitors, and those in the UK, Canada, and elsewhere whose family members fought, or were interned, in Hong Kong during the war years.
for the enemy. And, uniquely during the

**The Slightest Chance** - Paul Letters -
2018-12-31

In war, you can pretend to be someone you're not.
Yet, in war, people find out who you really are.
Hong Kong, 1941. Anglo-Australian civil servant
Dominic Sotherly's colonial sojourn in Hong Kong
becomes complicated by his double life in both
war and love. Enigmatic Englishwoman Gwen
Harmison possesses secrets of her own plus an
unrelenting desire for liberty. Inscrutable
Eurasian Chester Drake is but one of Gwens
secrets. From gaiety at the Peninsula Hotel to
persecution both inside and outside of
internment, the story journeys from war-ravaged
Hong Kong to war-weary China. From real
history, meet the one-legged Chinese admiral
who led Hong Kong's daring Great Escape and
the Japanese Christian soldier who risked his life
for the enemy. And, uniquely during the
occupation of Hong Kong, discover how one
Englishwoman made history in her defiance of
Imperial Japan.

**We Shall Suffer There** - Tony Banham -
2009-03-01

Tony Banham documents the experiences of
Hong Kong's prisoners of war and civilian
internees from their capture by the Japanese in
December 1941 to liberation, rescue and
repatriation.

**Battle for Hong Kong, December 1941** -
Philip Cracknell - 2019-07-15

25 December 1941 is known to this day by the
people of Hong Kong as ‘Black Christmas’. The
battle for Hong Kong is a story that deserves to
be better known.

**Reduced to a Symbolical Scale** - Tony Banham -
2017-08-01

In July 1940, the wives and children of British
families in Hong Kong, military and civilian, were
compulsorily evacuated, following a plan created
by the Hong Kong government in 1939. That plan
focused exclusively on the process of evacuation
itself, but issues concerning how the women and
children should settle in the new country,
communication with abandoned husbands, and
reuniting families after the war were not
considered. In practice, few would ever be
addressed. When evacuation came, 3,500 people
would simply be dumped in Australia. The
experience of the evacuees can be seen as a
three-act drama: delivery to Australia creates
tension, five years of war and uncertainty
intensify it, and resolution comes as war ends.
However, that drama, unlike the evacuation plan,
did not develop in a vacuum but was embedded
environment. Based on archival research of official documents, letters and memoirs, and interviews and discussions with more than one hundred evacuees and their families, this book studies the evacuation within that entire context. ‘Reduced to a Symbolical Scale is an original and interesting addition to the evacuation literature. Tony Banham has done a masterly job of integrating archival documents with other forms of communication. The stories of individual evacuees and their families are very skilfully woven into the narrative.’ —John Welshman, Lancaster University; author of Churchill’s Children: The Evacuee Experience in Wartime Britain

**On War** - Carl von Clausewitz - 1908

**Eternal Security** - Charles F. Stanley - 1990-08-27
Do you ever find yourself wondering . . . Is it actually possible to know, beyond the shadow of a doubt, that I am going to heaven? If you say that my salvation is "eternally secure" and that I can never lose it, does that mean that I can commit any sin and still go to heaven? How can an understanding of "eternal security" make a difference in my Christian life? With the wisdom and skill of a man who has personally wrestled with these questions, internationally-known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straight-forward book. With questions at the end of each chapter, Eternally Secure is an excellent choice for individual or group study. "I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you. Therefore, it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure. ?Charles Stanley

Previously published in hardcover (0840790953).
Sensual historical romance from an award-winning author Mary Penley and Kit Stansell were secret friends who became adolescent lovers and eloped. But the marriage didn't survive. Now nine years later, Mary and Kit meet again, where intense desire leads them to rekindle their physical relationship. But Kit is devoted to maintaining social order, and once again finds himself at odds with Mary—a reformer who is appalled by the repressive government. When a political conspiracy forces them to work together, they have a second chance to reconcile their differences and create a future together.

Almost 2,000 British Prisoners of War were aboard the Japanese freighter Lisbon Maru when an American submarine torpedoed and sank her in October 1942. This book tells the story of those men, from the fighting in Hong Kong, through the sinking, and for some, to liberation and beyond. Although never previously studied in any depth, the sinking of the Lisbon Maru was the most costly American on British "Friendly Fire" incident of the Second World War. Of the 4,500 of Hong Kong's garrison who perished during the war, 1,000 died directly or indirectly from this sinking. From American, British, Hong Kong and Japanese sources, this book reconstructs the fateful voyage of the Lisbon Maru, and the experiences of the captives, the captors, and those on board the submarine that sank her. The book will be of interest to anyone wishing to know more about the "Hellships" that caused the deaths of almost 20,000 Allied Prisoners of War during the Second World War, or the experiences of Allied POWs in Japan.

How to Win Friends and Influence People - Dale Carnegie - 2020-09-02
In the present book, How to Win Friends and Influence People, Dale Carnegie says, “You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want.” You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, “let the other person feel that the idea is his or hers” and “talk about your own mistakes before criticizing the other person.” This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. Twelve Ways to Win People to Your Way of Thinking 1. The only way to get the best of an argument is to avoid it. 2. Show respect for the other person's opinions. Never say "You're wrong." 3. If you're wrong, admit it quickly and emphatically. 4. Begin in a

The Fall of Hong Kong - Philip Snow - 2003-01-01
The definitive account of the wartime history of Hong Kong On Christmas Day 1941 the Japanese captured Hong Kong, and Britain lost control of its Chinese colony for almost four years, a turning point in the process by which the British were to be expelled from the colony and from East Asia. This book unravels for the first time the dramatic story of the Japanese occupation and reinterprets the subsequent evolution of Hong Kong. "Magnificent. . . . The clarity of mind Snow brings to his labor of storytelling and contextualizing is amazing."--John Lanchester, Daily Telegraph "Beautifully written, with many telling anecdotes."--Lawrence D. Freedman, Foreign Affairs "Very good. . . . Provides a much more nuanced picture than has appeared before in English of life among Hong Kong's different communities before and during the Japanese occupation."--Economist

The End of Days - Jenny Erpenbeck - 2016-02-08
Winner of the Independent Foreign Fiction Prize for the best translated novel of 2014, now a New Directions paperback Winner of the Independent Foreign Fiction Prize and the Hans Fallada Prize, The End of Days, by the acclaimed German writer Jenny Erpenbeck, consists essentially of five "books," each leading to a different death of the same unnamed female protagonist. How could it all have gone differently?—the narrator asks in the intermezzi. The first chapter begins with the death of a baby in the early twentieth-century Hapsburg Empire. In the next chapter, the same girl grows up in Vienna after World War I, but a pact she makes with a young man leads to a second death. In the next scenario, she survives adolescence and moves to Russia with
remember the errors of their past. Is there the yet our heroine ends up in a labor camp. But her fate does not end there.... A novel of incredible breadth and amazing concision, The End of Days offers a unique overview of the twentieth century.

**The Chaplain's War** - Brad R. Torgersen - 2014-09-16

The mantis cyborgs: insectlike, cruel, and determined to wipe humanity from the face of the galaxy. The Fleet is humanity’s last chance: a multi-world, multi-national task force assembled to hold the line against the aliens’ overwhelming technology and firepower. Enter Harrison Barlow, who like so many young men of wars past, simply wants to serve his people and partake of the grand adventure of military life. Only, Harrison is not a hot pilot, nor a crack shot with a rifle. What good is a Chaplain’s Assistant in the interstellar battles which will decide the fate of all? More than he thinks. Because while the mantis insectoids are determined to eliminate the human threat to mantis supremacy, they slightest chance that humans might have value? Especially since humans seem to have the one thing the mantis explicitly do not: an innate ability to believe in what cannot be proven nor seen God. Captured and stranded behind enemy lines, Barlow must come to grips with the fact that he is not only bargaining for his own life, but the lives of everyone he knows and loves. And so he embarks upon an improbable gambit, determined to alter the course of the entire war. At the publisher’s request, this title is sold without DRM (Digital Rights Management).

About Chaplain's War: "Solid hard SF with the frisson of well thought through action. Much to enjoy!" - Dr. Gregory Benford multiple Nebula award-winning creator of the Galactic Center saga About Brad Torgersen: Brad Torgersen can write something technical and complex, yet still give it real emotional depth. He's one of the most talented authors I've ever read." -Larry Correia, author of the best-selling Monster Hunter series "Brad R. Torgersen shows why he's going to be a power in this field for years to come."- Mike Resnick, multiple Hugo Award winning author and editor Brad Torgersen is a writer who's done a lot and come up the hard way and the depth of his writing shows it, especially in understanding the nuts and bolts of technology and the souls of those who use it." - L.E. Modesitt, Jr.
TIME MAGAZINE’S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can’t resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today DON’T MISS BRIDGE OF CLAY, MARKUS ZUSAK’S FIRST NOVEL SINCE THE BOOK THIEF.

The End of Ice - Dahr Jamail - 2020-03-10 Finalist for the 2020 PEN / E.O. Wilson Literary Science Writing Award Acclaimed on its hardcover publication, a global journey that reminds us "of how magical the planet we're about to lose really is" (Bill McKibben) With a new epilogue by the author After nearly a decade overseas as a war reporter, the acclaimed journalist Dahr Jamail returned to America to renew his passion for mountaineering, only to find that the slopes he had once climbed have been irrevocably changed by climate disruption. In response, Jamail embarks on a journey to the
In The End of Ice, we follow Jamail as he scales Denali, the highest peak in North America, dives in the warm crystal waters of the Pacific only to find ghostly coral reefs, and explores the tundra of St. Paul Island where he meets the last subsistence seal hunters of the Bering Sea and witnesses its melting glaciers. Accompanied by climate scientists and people whose families have fished, farmed, and lived in the areas he visits for centuries, Jamail begins to accept the fact that Earth, most likely, is in a hospice situation. Ironically, this allows him to renew his passion for the planet's wild places, cherishing Earth in a way he has never been able to before. Like no other book, The End of Ice offers a firsthand chronicle—including photographs throughout of Jamail on his journey across the world—of the catastrophic reality of our situation and the incalculable necessity of relishing this vulnerable, fragile planet while we still can.

**This House** - Thomas Parkison Warne - 2021-04-22

Thomas Parkison Warne life’s work was to write this book. When he was twenty-one years old, he had an experience. “Gently, quietly, I know not when it came, the moment, nor when it departed its overshadowing. The impression I had received remained with me, as clay under a seal (Job 38:14). This happening, the experience, the knowing of it, long it was with me. The course of the righteous is like morning light, growing brighter till it is broad day. That which I had to offer was the only thing I had. It represented the only thing I had. It represented the only thing wanted to do. I would go as far as I could. I would work it out as best I could. Death would be the only thing that would stop my effort and end my hope of doing it. My thought was that I had something. I believed that." "Thou hast beset me behind and before and laid thine hand upon me" (Psalm 139:5). "I had one thing, the key to all this. I believed that what I had received came from God. It had come upon me. What I could see, its appeal—the faith I had—I was taken up with it and filled with the doing of it."

**Before the Coffee Gets Cold** - Toshikazu Kawaguchi - 2020-11-17

*OVER ONE MILLION COPIES SOLD* *NOW AN INTERNATIONAL BESTSELLER* If you could go back, who would you want to meet? In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time. Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn’t so simple, and there are rules that must be followed. Most important, the trip can last only as long as it takes for the coffee to get cold. Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi’s internationally bestselling novel explores the age-old question: What would you change if you could travel back in time?

I Am Not Your Perfect Mexican Daughter - Erika L. Sanchez - 2019-03-05
National Book Award Finalist! Instant New York Times Bestseller! The Absolutely True Diary of a Part-Time Indian meets Jane the Virgin in this poignant but often laugh-out-loud funny contemporary YA about losing a sister and finding yourself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home. Perfect Mexican daughters do not go away to college. And they do not move out of their parents' house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga's role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it's not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend, Lorena, and her first love (first everything), Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister's story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

**Official Report of Debates** - Standing Conference of Local and Regional Authorities of Europe - 1987

**The Savage Storm** - David Andress - 2012-09-27

Britain's defeat of Napoleon is one of the great accomplishments in our history. And yet it was by no means certain that Britain itself would survive the revolutionary fervor of the age, let alone emerge victorious from such a vast conflict. From the late 1790s, the country was stricken by naval mutinies, rebellion in Ireland, and riots born of hunger, poverty and grinding injustice. As the new century opened, with republican graffiti on the walls of the cities, and revolutionary secret societies reportedly widespread, King George III only narrowly escaped assassination. Jacobin forces seemed to threaten a dissolution of the social order. Above all, the threat of French invasion was ever-present. Yet, despite all this, and new threats from royal madness and rampant corruption, Britain did not become a revolutionary republic. Her elites proved remarkably resilient, and drew on the power of an already-global empire to find the strength to defeat Napoleon abroad, and continued popular unrest at home. In this brilliant, sweeping history of the period, David Andress fuses two hitherto separate historical perspectives - the military and the social - to provide a vivid portrait of the age. From the conditions of warfare faced by the British soldier and the great battles in which they fought, to the literary and artistic culture of the time, The Savage Storm is at once a searing narrative of dramatic events and an important reassessment of one of the most significant turning points in our history.

**The Towers of Love** - Stephen Birmingham - 2016-09-06

The Towers of Love is a suspenseful family drama set among the well-to-do schemers of a Connecticut suburb. When Hugh Carey moves home to take stock of his failing marriage, he is reunited with Edrita Everett Smith, the girl next door who got away. But his cold, manipulative and fascinating mother Sandy has never liked Edrita, and she is not about to let Hugh out of her grasp now.

**The Towers of Love** - Stephen Birmingham - 2016-09-06

The Towers of Love is a suspenseful family drama set among the well-to-do schemers of a Connecticut suburb. When Hugh Carey moves home to take stock of his failing marriage, he is reunited with Edrita Everett Smith, the girl next door who got away. But his cold, manipulative and fascinating mother Sandy has never liked Edrita, and she is not about to let Hugh out of her grasp now.
Gogol’s work his ‘free Cossack soul’ trying to break through the shell of sordid today like some ancient demon, essentially Dionysian. So that his works, true though they are to our life, are at once a reproach, a protest, and a challenge, ever calling for joy, ancient joy, that is no more with us. And they have all the joy and sadness of the Ukrainian songs he loved so much.”

**The Crowd** - Gustave Le Bon - 2012-03-15
One of the most influential books on social psychology ever written, brilliantly instructive in the general characteristics and mental unity of a crowd. A must-read for students, politicians, and investors.

**Narrative of the Life of Frederick Douglass** - FREDERICK DOUGLASS - 101-01-01
Narrative of the Life of Frederick Douglass First published in 1845, Narrative of the Life of Frederick Douglass is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. Narrative of the Life of Frederick Douglass Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. Narrative of the Life of Frederick Douglass Few books have done more to change America’s notion of African Americans

---

The First New Translation in Forty Years Set sometime between the mid-sixteenth and early-seventeenth century, Gogol’s epic tale recounts both a bloody Cossack revolt against the Poles (led by the bold Taras Bulba of Ukrainian folk mythology) and the trials of Taras Bulba’s two sons. As Robert Kaplan writes in his Introduction, “[Taras Bulba] has a Kiplingesque gusto . . . that makes it a pleasure to read, but central to its theme is an unredemptive, darkly evil violence that is far beyond anything that Kipling ever touched on. We need more works like Taras Bulba to better understand the emotional wellsprings of the threat we face today in places like the Middle East and Central Asia.” And the critic John Cournos has noted, “A clue to all Russian realism may be found in a Russian critic’s observation about Gogol: ‘Seldom has nature created a man so romantic in bent, yet so masterly in portraying all that is unromantic in life.’ But this statement does not cover the whole ground, for it is easy to see in almost all of Gogol’s work his ‘free Cossack soul’ trying to break through the shell of sordid today like some ancient demon, essentially Dionysian. So that his works, true though they are to our life, are at once a reproach, a protest, and a challenge, ever calling for joy, ancient joy, that is no more with us. And they have all the joy and sadness of the Ukrainian songs he loved so much.”

death, but it resulted in one of the most eloquent social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. Narrative of the Life of Frederick Douglass This ebook has been professionally proofread to ensure accuracy and readability on all devices. Narrative of the Life of Frederick Douglass Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre–Civil War plantations in the South and reveals the daily terrors he suffered. Narrative of the Life of Frederick Douglass Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. Narrative of the Life of Frederick Douglass
