The Archers: Ambridge At War

Catherine Miller - 2020-10-29

Celebrating the 70th anniversary of the beloved radio show, Ambridge at War takes readers back to before this night began. . . Intriguing, comforting and enduringly familiar, Katie Fforde’s It’s 1940 and war has broken out. It is midnight at the turn of the year, and Walter Gabriel speaks the same line that opened the very first radio episode – ‘And a Happy New Year to you all!’ For Ambridge, a village in the heart of the English countryside, this year will bring change in ways no one was expecting. From the Parmetters at Lower Loxley to the loving, hard-working Archer family at Brookfield Farm, the war will be hard for all of them. And the New Year brings the arrival of evacuees to Ambridge, shaking things up in the close-knit rural community. As the villagers embrace wartime spirit, the families that listeners have known and loved for generations face an uphill battle to keep their secrets hidden. Especially as someone is intent on revealing those secrets to the whole village . . .

The Archers: The True Story

William Smethurst - 1996

The Archers is the longest-running radio serial in the world. How did it start? Whose idea was it? This is an account of how the serial was born and how it evolved. It reveals the behind-the-scenes dramas, and the truth behind the many rumours and legends.

The Archers: the True Story

William Smethurst - 2000

For 11 years William Smethurst was first writer, then editor of The Archers, the longest-running radio serial in the world. He reveals the behind-the-scenes dramas that listeners never heard, and the truth behind many rumours and legends.

The Archers' Son

Mark E. Hubbs - 2014-08-16

? . . . Hedyn held an old sheet iron helmet and a mail tunic up in the starlight to see them better. The breast of the mail bore a ragged hole and the heavy links were sticky. It took a moment for Hedyn to realize it was soaked in drying blood. "A bascinet and hauberk?" he asked. "Aye, you shall need these before this night is done..." . . . Treachery, disease, hunger, and death plague their steps as King Henry's men near their fateful battle with the French army at Agincourt. Eager to see the world that lies beyond his small Cornish village, 12 year old Hedyn, son of an archer and serf, is thrilled to be chosen to join King Henry's army as it advances on Normandy. His excitement quickly gives way to exhaustion in body and spirit, as well as worry for the safety of his newfound friends and comrades. Can a mysterious stranger with a secretive past offer Hedyn hope amidst the horrors of battle? *************** Mr. Hubbs has written an engaging and exciting narrative. But he has done much more than that. He enriched his story with details that bring the early 1400s to life. Here are the taste, the smell, the look, and the feel of the Middle Ages as experienced by a young man who is making history - quite literally. - Nicky Hughes, retired curator of the Kentucky Military History Museum and the Capital City Museum, Frankfort, Kentucky M.E. Hubbs' second book is as entertaining and well written as his first. - The Secret of Wattensaw Bayou. Set within the Medieval English and French landscape, the story has a perfect blend of action, adventure, and emotion. The colorful characters and dialog are accurately woven into the time period and the pace of the story makes it hard to put down. - Paige M. Peyton, PhD - Author and Archaeologist

The Archers Story

Martin Archer - 2020-09-08

Arrows fly, swords clash, nobles and church men are gullied out of their coins, and the French and Venetians are successfully blamed for things they did not do. This is a collection of the entire first six books in Martin Archer's exciting and action-packed saga of Cornwall's Company of Archers at the dawn of Britain's military supremacy and the beginning of its great merchant companies. It is an enjoyable and sometimes witty read that sticks pins into the church and nobility along the way. The on-going saga of the Company of Archers is set in dangerous and gritty feudal England during a time when there was great upheaval in Britain as the barons rose against the king, the Saracens were lashing out against the Christians for breaking a truce, and Islamic pirates from the Barbary Coast were fighting for control of the Mediterranean. This is British and English historical fiction at its action-packed best. It will appeal to the fans of books such as The Game of Thrones and authors such as Bernard Cornwell, Jeffrey Archer, C.S. Forester, Griff Hosker, Peter Darman, and Jerry Auteri.

Archer's Voice - Mia Sheridan - 2016-11-01

A New York Times, USA Today, and Wall Street Journal bestselling book. One of the Top 100 Romance Novels of All time on Goodreads! Archer's Voice is a full-length, standalone romance. Features a bonus scene from Archer's POV. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived—and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live.

Heads You Win - Jeffrey Archer - 2018-11-06

Heads You Win is international #1 bestseller Jeffrey Archer’s most ambitious and creative work since Kane and Abel, with a final twist that will shock even his most ardent of fans. Leningrad, Russia, 1968: From an early age it is clear that Alexander Karpenko is destined to lead his countrymen. But when his father is assassinated by the KGB for defying the state, Alexander and his mother will have to escape Russia if they hope to survive. At the docks, they have an irreversible choice: board a container ship bound for America or one bound for Great Britain. Alexander leaves the choice to a toss of a coin In a single moment, a double twist decides Alexander’s future. During an epic tale, spanning two continents and thirty years, we follow Alexander through triumph and defeat as he sets out on parallel lives as Alex in New York and Sasha in London. As this unique story unfolds, both come to realize that to find their destiny they must face the past they left behind as Alexander in Russia.

The True Story Book - Andrew Lang - 1904

A collection of anecdotes and episodes about real persons.

The True Story Book - Andrew Lang - 1904

A collection of anecdotes and episodes about real persons.
Handsome and arrogant, he is sure that no man can surpass him and yet the lordly art of archery and mastering the immense powers of the shartas. Keshan Adaru’s mere touch brings Jandu to his knees. But his desire for Keshan is more than forbidden; it threatens to destroy Jandu’s pride, position and family. In the midst of this turmoil, an unspeakable event forces Jandu to redefine the meaning of honor and loyalty. And now, as armies arise to war, each man must decide where his allegiance lies and what he will sacrifice in his heart and on the battlefield.

**The Archer’s Heart** - Astrid Amara - 2008

In the ancient kingdom of Marhavad, noblemen dominate the lower castes, wielding mystic weapons, known as shartas, against any who oppose them. For generations the rule of Marhavad’s kings has been absolute. But now the line of succession is divided, and whispers of revolution are heard in even the royal palace. Keshan Adaru, an outspoken man of unearthly charms, welcomes these changes. All his life he has foreseen an uprising that will shatter the castes and end the tyranny of the old laws. His visions have driven him but now, at the brink of their fulfillment, he finds himself obsessed with Prince Jandu Paran—a man whose entire family must be destroyed if the kingdom is to be freed. Tarek Amia would gladly see Jandu Paran brought low. Born the son of a charioteer, Tarek has no love for the royal princes who have slighted and insulted him all his life. Only Keshan’s philosophies have elevated him from the brutish ranks of common soldiers. Tarek owes Keshan his devotion, but he is a pragmatic man and when he discovers Keshan’s reckless affair he realizes that Keshan may have to be sacrificed for the sake of his own revolution. Young Prince Jandu Paran has never concerned himself with court intrigue. His life has been dedicated to the lordly art of archery and mastering the immense powers of the shartas. Handsome and arrogant, he is sure that no man can surpass him and yet very funny, this is an entertaining exploration of two major national pastimes and not to be missed.

**Sit Down and Cheer** - Martin Kelner - 2012-09-27

Television and sport is the ultimate marriage of convenience. The two circled each other warily for a while—sport anxious the sofa-bound might spurn the live product, TV reluctant in a limited channel world to hand over too much screen time to flannelled foos and muddled oafs. But they got together, and stayed together, for the sake of the money, and now you cannot imagine one without the other. They are indivisible, like an old couple sitting in a teashop finishing each other’s sentences, and there is little doubt which is the dominant partner. You have only to think of the recent sports stars who have left their muddy fields to don sequins, grab partners and tango their way across the stage in ultimate Saturday night television style, to see how far the two have come on their journey together. In Sit Down and Cheer Martin Kelner traces the development of this relationship from its humble origins in the 1960 Olympics, by way of the first-ever Match of the Day in 1964, through to the financial impact of Sky, right up to the high-tech gadgetry of our present-day viewing. Insightful and very funny, this is an entertaining exploration of two major national pastimes and not to be missed.

to celebrate the highs and lows that have made the world's longest running radio serial so treasured.

The Archers: The Ambridge Chronicles - Joanna Toye - 2013-10-03
The Archers, like life, is made of moments: marriages and births, loves and losses, triumphs and disasters. It has been the soundtrack of our lives for over six decades, from stooping corn with Dan Archer in the 1950s to the tragic death of Nigel Partridge in 2011. We know the characters of Ambridge – from much-loved Phil and Jill Archer and the irrepressible Grundys to wayward Brian Aldridge – like we know close friends. This book is their tribute. The Ambridge Chronicles relives some of the defining moments in The Archers history, delving into the rich archive of its scripts, to celebrate the highs and lows that have made the world's longest running radio serial so treasured.

The Age of Innocence - Edith Wharton - 2008-05-06
Winner of the 1921 Pulitzer Prize, The Age of Innocence is an elegant, masterful portrait of desire and betrayal in old New York—now with a new introduction from acclaimed author Colm Toibin for the novel's centennial. With vivid power, Wharton evokes a time of gaslit streets, formal dances held in the ballrooms of stately brownstones, and society people “who dared scandal more than disease.” This is Newland Archer's world as he prepares to marry the docile May Welland. Then, suddenly, the mysterious, intensely nonconformist Countess Ellen Olenska returns to New York after a long absence, turning Archer's world upside down. This classic Wharton tale of thwarted love is an exuberantly comic and profoundly moving look at the passions of the human heart, as well as a literary achievement of the highest order.

Handsome Brute - Sean O'Connor - 2014-02-27
Handsome Bruteexplores the facts of a once-renowned, now little-remembered British murder case, the killings of the charming, but deadly ex-RAF playboy Neville Heath. Since the 1940s, Heath has generally been dismissed as a sadistic sex-killer - the preserve of sensational Murder Anthologies - and little else. But the story behind the tabloid headlines reveals itself to be complex and ambiguous, provoking unsettling questions that echo across the decades to the present day. articles provide ample illustration of the role this medium plays throughout the world. From radio's invention to radio on the Internet, the cross-referenced and thoroughly indexed articles analyze over 100 years of topics, programs, issues, people, and places, and provide leads to further reading. Some 250 photographs "give visual context to an often unseen world." Scholars, old-time-radio admirers, and curious readers will appreciate the unparalleled comprehensiveness of this source.--"The Top 20 Reference Titles of the Year," American Libraries, May 2004.

A Twist in the Tale - Jeffrey Archer - 2010-04-01

Jeffrey Archer’s collection of twelve spellbinding stories, A Twist in the Tale, will sweep you on a journey of thwarted ambition, undying passion, and unsворrying honor that you'll never forget. No one can weave a web of suspense, deliver a jolt of surprise, or teach a lesson in living like bestselling author Jeffrey Archer. From Africa to the Middle East, and from London to Beijing, Archer takes us to places we've never seen and introduces us to people we'll never forget. Meet the philandering husband who thinks he's committed the perfect murder, the self-assured chess champion who plays a beautiful woman for stakes far higher than cash; and the finance minister who needs to crack the secrets of a Swiss bank.

Rolling with the 6.57 Crew - The True Story of Pompey's Legendary Football Fans - Cass Pennant - 2014-09-17

Portsmouth's 6.57 Crew, named for the time of the train they took to away games, were the most talked-about casual football firm of the 1980s and 1990s. Labelled 'the worst in the land' by the police, this is Pompey's true shocking story. For the first time, the firm's insiders reveal the truth behind the tabloid headlines. Cass Pennant is the best-selling author of Want Some Aggro?, Congratulations You Have Just Met the ICF, and a hugely successful autobiography, Cass. Rob Silvester travelled on the 6.57 train many times and became a part of the notorious group of fans. As a no-holds-barred look into a world of turmoil and violence, this is an unsurpassed book. It's required reading not only for football fans, but also those who want to know the amazing facts about a social phenomenon that changed the face of British culture.

The Museum of Broadcast Communications Encyclopedia of Radio - Museum of Broadcast Communications - 2004

"A premise of this unique encyclopedia is that radio broadcasting is so pervasive that its importance can be easily overlooked. More than 600 articles provide ample illustration of the role this medium plays throughout the world. From radio's invention to radio on the Internet, the cross-referenced and thoroughly indexed articles analyze over 100 years of topics, programs, issues, and places, and provide leads to further reading. Some 250 photographs "give visual context to an often unseen world." Scholars, old-time-radio admirers, and curious readers will appreciate the unparalleled comprehensiveness of this source.--"The Top 20 Reference Titles of the Year," American Libraries, May 2004.

God’s calling and will be encouraged that God can turn anyone’s life into a work for His glory. “A Sharpened Arrow is truly a book with a message for everyone.

**The Fourth Estate** - Jeffrey Archer - 2013-02-26

Fourth Estate Jeffrey Archer Richard Armstrong narrowly escaped Hitler’s atrocities in Eastern Europe on his courage and his wits—skills that served him well in peacetime. Having turned a struggling Berlin newspaper into a success story seemingly overnight, Armstrong made a name for himself—and more than a few enemies along the way.Meanwhile, young Keith Townsend enters the international arena, armed with a world-class education and a sense of entitlement to match. Charged with growing his father’s newspaper business into a global media force, he and Armstrong are bound to become sworn rivals—until they arrive at the edge of collapse and will do whatever it takes to stay alive in the game or die trying.

**As the Crow Flies** - Jeffrey Archer - 2004-05-16

Growing up in the slums of East End London, Charlie Trumper dreams of someday running his grandfather’s fruit and vegetable barrow. That day comes suddenly when his grandfather dies leaving him the floundering business. With the help of Becky Salmon, an enterprising young woman, Charlie sets out to make a name for himself as “The Honest Trader”. But the brutal onset of World War I takes Charlie far from home and into the path of a dangerous enemy whose legacy of evil follows Charlie and his family for generations. Encompassing three continents and spanning over sixty years, As the Crow Flies brings to life a magnificent tale of one man’s rise from rags to riches set against the backdrop of a changing century.
