The Boxing Register - James B. Roberts - 1999
The Greatest Fighters of all time come to life in the pages of this carefully researched and fully illustrated guide to the "Sweet Science." Packed with facts, figures, and action photos, every honoree in the Hall of Fame is here, from the earliest bare-knuckle brawlers to 20th-century heroes like Joe Louis and Muhammad Ali.

The International Boxing Hall of Fame's Basic Boxing Skills - Floyd Patterson - 2007-05-17
For all boxers and fans, this step-by-step guide to successful boxing by a two-time World Heavyweight Champion will be educational and entertaining. Floyd Patterson set out to “pass along to you what I’ve learned, to unlock some of the secrets of the greatest sport in the world.” He succeeded, creating a classic that’s one of the most comprehensive boxing manuals ever written. Topics include rules, equipment, how to bandage your own hands, stance, bobbing and weaving, punching technique, offensive and defensive moves, strategy, and conditioning—all offered with stories from Patterson’s career. Plus, there is a full workout program. With a new introduction by International Boxing Hall of Fame member Bert Randolph Sugar, this tour de force is an excellent resource for trainers and boxers as well as a tribute to a great champion’s career.

The Ultimate Book of Boxing Lists - Bert Randolph Sugar - 2011-01-11
What were the ten most fantastic knockouts in boxing history? Which pugilist had the greatest jab of all time? What were the sport’s most intense rivalries? Who scored the biggest upsets in the sport’s annals? Which fighters have the best nicknames? These questions and many others are answered in this bold collection of ranked lists from two of boxing’s most popular commentators. Each list has an introductory paragraph followed by...
on anyone, anywhere, anytime and never take a step back made him a huge ranking plus entertaining and enlightening background information. Also included are original lists contributed exclusive to this book by more than 25 top personalities from boxing and beyond, including Muhammad Ali, Joe Frazier, George Foreman, Oscar De La Hoya, Bernard Hopkins, and more.

Hands of Stone - Christian Giudice - 2016-04-06
ROBERTO DURAN is a sporting legend. Often called the greatest boxer of all time, he held world titles at four different weights and is the only professional in history to have fought in five different decades. His bouts with fellow greats like Sugar Ray Leonard, Thomas Hearns and Marvin Hagler have gone down in fistic folklore and his pro record of 104 wins, 69 by KO, in 120 fights puts him in an elite group of fighters. They called him Manos de Piedra: “Hands of Stone”. American journalist Christian Giudice has written the first – and definitive – story of Duran’s extraordinary life both in and out of the ring. He has interviewed the fighter himself, his family and closest friends and scores of his opponents to separate truth from myth and get to the heart of one of the most intriguing sports stars of modern times. Duran was born in utter poverty in the Panama Canal Zone, the illegitimate son of a serving US soldier and a local girl. He grew up in the streets, fighting to survive. His talent with his fists was soon apparent, and on one fabled occasion he even knocked down a horse with a single punch for a bet. He grew into a fighter’s fighter, and his willingness to take favorite. From his wild early bouts to his stunning boxing debut in New York, Giudice traces the blazing trail of his career: the controversial title win over Scot Ken Buchanan; his unification of the lightweight crown against great rival Esteban DeJesus; his glorious defeat of Ray Leonard and the subsequent debacle of the No Más encounter; his ferocious comeback and redemption, and the long, eventful twilight of his matchless career. Here also are both the public and private sides of Duran: his volatility, his kindness and reckless generosity, his partying, his links with the notorious regime of General Noriega, and above all his chilling love of battle.

**The Book of Boxing** - W. C. Heinz - 2003-02-01
Throughout its history, boxing has thrilled, outraged and elevated fans with its intoxicating combination of primal violence, gutwrenching drama and stirring courage. That potent mix has attracted many of the world’s finest writers. The Book of Boxing is a collection of their most powerful efforts.

**Hard Luck** - Steve Springer - 2011-04-01
The story of boxing legend Jerry Quarry has it all: rags to riches, thrilling fights against the giants of the Golden Age of Heavyweights (Ali—twice, Frazier—twice, Patterson, Norton), a racially and politically electric sports era, the thrills and excesses of fame, celebrities, love, hate, joy, and pain. And tragedy. Like the man he fought during two highly controversial fight cards in 1970 and ’72—Muhammad Ali—boxing great Jerry Quarry was to suffer gravely. He died at age fifty-three, mind and body ravaged by Dementia Pugilistica. In Hard Luck, “Irish” Jerry Quarry comes to life—from his Grapes of Wrath days as the child of an abusive father in the California migrant camps to those as the undersized heavyweight slaying giants on his way to multiple title bouts and the honor of being the World’s Most Popular Fighter in ’68, ’69, ’70, and ’71. The story of Jerry Quarry is one of the richest in the annals of boxing, and through painstaking research and exclusive access to the Quarry family and its archives, Steve Springer and Blake Chavez have captured it all.

**Tunney** - Jack Cavanaugh - 2009-04-02
Among the legendary athletes of the 1920s, the unquestioned halcyon days of sports, stands Gene Tunney, the boxer who upset Jack Dempsey in spectacular fashion, notched a 77–1 record as a prizefighter, and later avenged his sole setback (to a fearless and highly unorthodox fighter named Harry Greb). Yet within a few years of retiring from the ring, Tunney willingly receded into the background, renouncing the image of jock celebrity that became the stock in trade of so many of his contemporaries. To this day, Gene Tunney’s name is most often recognized only in conjunction with his epic “long count” second bout with Dempsey. In Tunney, the veteran journalist and author Jack Cavanaugh gives an account of the incomparable sporting milieu of the Roaring Twenties, centered around Gene Tunney and Jack Dempsey, the gladiators whose two titanic clashes transfixed a nation. Cavanaugh traces Tunney’s life and career, taking us from the mean streets of Tunney’s native Greenwich Village to the Greenwich, Connecticut, home of his only love, the heiress Polly Lauder; from Parris Island to Yale University; from Tunney learning fisticuffs as a skinny kid at the knee of his longshoreman father to his reign atop boxing’s glamorous heavyweight division. Gene Tunney defied easy categorization, as a fighter and as a person. He was a sex symbol, a master of defensive boxing strategy, and the possessor of a powerful, and occasionally showy, intellect—qualities that prompted the great sportswriters of the golden age of sports to portray Tunney as “aloof.” This intelligence would later serve...
A patron of the arts. And while the public craved reports of bad blood between Tunney and Dempsey, the pair were, in reality, respectful ring adversaries who in retirement grew to share a sincere lifelong friendship—with Dempsey even stumping for Tunney’s son, John, during the younger Tunney’s successful run for Congress. Tunney offers a unique perspective on sports, celebrity, and popular culture in the 1920s. But more than an exciting and insightful real-life tale, replete with heads of state, irrepressible showmen, mobsters, Hollywood luminaries, and the cream of New York society, Tunney is an irresistible story of an American underdog who forever changed the way fans look at their heroes.

Joe Gans - Colleen Aycock - 2014-11-21
Joe Gans captured the world lightweight title in 1902, becoming the first black American world title holder in any sport. Gans was a master strategist and tactician, and one of the earliest practitioners of “scientific” boxing. As a black champion reigning during the Jim Crow era, he endured physical assaults, a stolen title, bankruptcy, and numerous attempts to destroy his reputation. Four short years after successfully defending his title in the 42-round “Greatest Fight of the Century,” Joe Gans was dead of tuberculosis. This biography features original round-by-round ringside telegraph reports of his most famous and controversial fights, a complete fight history, photographs, and early newspaper drawings and cartoons.

Serenity - Ralph Wiley - 2000-06-01
This is a surprising book, a terrific book. It's not about boxing, but about an odd, demanding world in which boxing is the thread, the key to existence. Wiley deftly broadens the delineation of this world and its people. Perceptive reporting is the foundation and perceptive reporting is rare enough. Wiley enhances it with clear, quick writing laced with humor and with a sensitivity that lends brilliance to this impressive work."-Robert W. Creamer, author of Baseball and Other Matters in 1941. "Ralph Wiley, with Serenity, has produced an original book about the ring. . . . He can dig beneath the surface and show us what really happened in a bout: why Thomas Hearns, with too much faith in his powerful right hand, lost to Sugar Ray Leonard in their first match. . . . Or why Roberto Durán was acting out of prudence, not cowardice, when he quit in his second fight against Leonard. . . . Yet the book is not really about boxing. Boxing in Serenity is what T. S. Eliot, speaking of plot, called the meat a burglar brings to distract the watchdog. The book is really about growing up in a world where you had to defend yourself physically to survive."-New York Times. "Wiley's rapport with boxers is profound."-Publisher's Weekly. "Wiley is one writer who really knows his way around a boxing ring. . . . [He writes] with passion and understanding about complex, violent men and their oddly redemptive sport."-Booklist. Ralph Wiley is the author or coauthor of several works, most recently Born to Play: The Eric Davis Story.

**Jersey Joe Walcott** - James Curl - 2014-01-10

Born into extreme poverty in 1914, Jersey Joe Walcott began boxing at the age of 16 to help feed his hungry family. After ten years, without proper training and with little to show for his efforts beyond some frightful beatings, Walcott quit the ring. A chance meeting with a fight promoter who recognized the potential in his iron chin and hard punch turned Walcott's fortunes around, launching one of the greatest comebacks in boxing history. This biography details Walcott's youth, his dismal early career, and his legendary climb to become the heavyweight champion of the world at age 37, at the time the oldest man ever to win the coveted title. Along the way, he battled some of the most feared champions of his day, including Joe Louis, Ezzard Charles, and Rocky Marciano. With numerous period photographs and a foreword from Walcott's grandson, this work provides an intimate look at one of the grittiest, most determined boxers of the 20th century.

A Nation's Hope - Matt de la Peña - 2013-12-26
Illustrated by a two-time Caldecott Honor-winning artist, an evocative portrait of the boxing icon centers around his historic match against Germany's Max Schmeling on the eve of World War II, a fight that reflected international tensions and a triumph against racial barriers.

Once There Were Giants - Jerry Izenberg - 2017-02-07
A celebration and memorial of the greatest era of heavyweight fighters from 1962 to 1997, as witnessed ringside by an International Boxing Hall of Fame sportswriter. Once upon a time, of all the memories made in ballparks and arenas from California to New York, there was nothing to rival that magic moment that could grab a heavyweight fight crowd by its collective jugular vein and trigger a tsunami of raw emotion before a single punch had even been thrown. That’s the way it was when the heavyweight giants danced in the boxing ring during the golden eras of the greats Ali, Frazier, Holmes, and Spinks, to name a few. There will never again be a heavyweight cycle like the one that began when Sonny Liston stopped Floyd Patterson and ended when Mike Tyson bit a slice out of Evander Holyfield’s ear; when no ersatz drama, smoke, mirrors, and noise followed a fighter’s entry into the ring; when the crowds knew that these men were not actors on a stage but rather giants in a ring with a single purpose—to fight other giants. By the ringside, acclaimed sportswriter Jerry Izenberg watched history as it was being made during those legendary days, witnessing fights like the Thrilla in Manila and the Rumble in the Jungle and preserving them in punchy yet tremendous prose. Delivering both his eyewitness accounts and revelatory back stories of this greatest era of heavyweight boxing, Izenberg invites readers to a place of recollection. Once There Were Giants is his memorial to this extraordinary time, the likes of which we shall never see again.

Four Kings - George Kimball - 2008-10-01
Roberto Duran, Marvelous Marvin Hagler, Sugar Ray Leonard, and Thomas "Hit Man" Hearns all formed the pantheon of boxing greats during the late 1970s and early 1980s—before the pay-per-view model, when prize fights were telecast on network television and still captured the nation’s attention. Championship bouts during this era were replete with revenge and fury, often pitting one of these storied fighters against another. From training camps to locker rooms, author George Kimball was there to cover every body shot, uppercut, and TKO. Inside stories full of drama, sacrifice, fear,
stories from both inside and outside the ring, and explaining why it is that sport’s greatest writers.

Dark Trade - Donald McRae - 2014-06-05
WINNER OF THE 1996 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. In the early 1990s, Donald McRae set out to discover the truth about the intense and forbidding world of professional boxing. Travelling around the States and Britain, he was welcomed into the inner sanctums of some of the greatest fighters of the period - men such as Mike Tyson, Chris Eubank, Oscar de la Hoya, Frank Bruno, Evander Holyfield and Naseem Hamed among them. They opened up to him, revealing unforgettable personal stories from both inside and outside the ring, and explaining why it is that some are driven to compete in this most brutal of sports, risking their health and even their lives. The result is a classic account of boxing that remains as fresh and entertaining as when it was first published almost 20 years ago. McRae approaches his subjects with wit, compassion and insight, and the result was a book that was a deserved winner of the William Hill Sports Book of the Year prize.

The Contender - Robert Lipsyte - 2010-01-26
The breakthrough modern sports novel The Contender shows readers the true meaning of being a hero. This acclaimed novel by celebrated sportswriter Robert Lipsyte, the recipient of the Margaret A. Edwards Award for lifetime achievement in YA fiction, is the story of a young boxer in Harlem who overcomes hardships and finds hope in the ring on his path to becoming a contender. Alfred Brooks is scared. He’s a high-school dropout, and his grocery store job is leading nowhere. His best friend is sinking further and further into drug addiction. Some street kids are after him for something he didn’t even do. So Alfred begins going to Donatelli’s Gym, a boxing club in Harlem that has trained champions. There he learns it’s the effort, not the win, that makes the boxer—that before you can be a

Combat Sports: An Encyclopedia of Wrestling, Fighting, and Mixed
Fistic combat represents the greatest human drama in all of sport. Roman
gladiators thrilled citizens and emperors alike when they entered the
octagon to face an intense, life-threatening experience. Boxing, the sport of
kings, also has its roots in the ancient civilizations of Greece and Rome.
Banned in 500 A.D. by the Emperor Theodoric, it resurfaced twelve
centuries later in England. John Milton praised it as a noble art for building
character in young men, and sports writer A.J. Leibling dubbed it the Sweet
Science. Many of its major protagonists - men such as Joe Louis, Rocky
Marciano and Muhammad Ali - have become transcendent, near-mythic
heroes. But boxing is not the only combat sport, and mixed martial arts, in
all their ferocious beauty, represent the fastest growing sports genre in the
world. Ultimate Fighting Championships (UFC) has joined boxing in paying
seven figures to some of its champions, and draws millions in its pay-per-
view events. This book details leading figures in boxing, sumo wrestling,
kickboxing, Greco-Roman wrestling, and mixed martial arts (including
organizations such as Ultimate Fighting, PRIDE, K-1, Total Combat, and
SportFighting). Over 150 entries cover champions, contenders, and other
famous combatants from all over the world, as well as legendary promoters,
managers, trainers, and events. Also included in this encyclopedia are
sidebars on controversies, highlights, brief bios, and other noteworthy
events, along with a general timeline.

The Arc of Boxing - Mike Silver - 2012-09-21
Are today’s boxers better than their predecessors, or is modern boxing a
shadow of its former self? Boxing historians discuss the socioeconomic and
demographic changes that have affected the quality, prominence and
popularity of the sport over the past century. Among the interviewees are
world-renowned scholars, some of the sport’s premier trainers, and former
amateur and professional world champions. Chapters cover such topics as
the ongoing deterioration of boxers’ skills, their endurance, the decline in
the number of fights and the psychological readiness of championship-
caliber boxers. The strengths and weaknesses of today’s superstars are
analyzed and compared to those of such past greats as Joe Louis, Sugar Ray
Robinson, Jack Dempsey and Jake LaMotta.

Fight Or Die - Tommy Jon Caduto - 2010-09-01
NOW IN PAPERBACK! A personal account of how a beloved boxer beat the
odds inside and outside the ring "Written by Tommy Jon Caduto, a childhood
friend of Vinny Paz who was there every step of the way. It's a book that not
only captures [Paz's] entire journey, but also expertly captures the culture
the journey sprang from." —Providence Journal "Fight or Die: The Vinny Paz
Story delivers every bit of excitement to both the claming Zanmianacs and
mainstream sports fans that the 'Pazmanian Devil' brought into the ring
every night of his fan thrilling career. . . . Every bit as entertaining as it is
accurate, [it] leaves no stone unturned." —onthegrindboxing.com Fight or
Die tells the remarkable story of one of America's best-loved boxers, Vinny
Paz. Born Vincent Pazienza in 1962 in the mean streets of Cranston, Rhode
Island, Vinny rose to become a champion in two weight divisions over a
twenty-year career. Here, his best friend captures all the pain and sweat of
the boxing world, with the rich traditions and grit of Rhode Island's Italian-
American community—and with the incredible odds this boxer overcame
again and again. A moving testament to the power of the human spirit, Fight
Or Die recounts in arresting detail Vinny Paz's dramatic victories inside the
ring—but it is his victory outside the ring that will inspire all readers.
Tommy Jon Caduto is a lifetime Rhode Island resident and a lifelong friend
of Vinny Paz. He has worked as a freelance writer for the Echo in
Providence and as a drop-out prevention director and history teacher at
Cranston East High School. He lives in Cranston, Rhode Island.

Comprehensive thoroughly-researched biography of Eder Jofre, Brazil's first world boxing champion, considered to be the greatest bantamweight champion of all time.

Sweet Thunder - Wil Haygood - 2011-04-01
Sugar Ray Robinson was one of the most iconic figures in sports and possibly the greatest boxer of all time. His legendary career spanned nearly 26 years, including his titles as the middleweight and welterweight champion of the world and close to 200 professional bouts. This illuminating biography grounds the spectacular story of Robinson's rise to greatness within the context of the fighter's life and times. Born Walker Smith Jr. in 1921, Robinson's early childhood was marked by the seething racial tensions and explosive race riots that infected the Midwest throughout the 1920s and 1930s. After his mother moved their family to Harlem, he came of age in the post-Renaissance years. Recounting his local and national fame, this deeply researched and honest account depicts Robinson as an eccentric and glamorous—yet powerful and controversial—celebrity, athlete, and cultural symbol. From Robinson's gruesome six-bout war with Jake "Raging Bull" LaMotta and his lethal meeting with Jimmy Doyle to his Harlem nightclub years and thwarted showbiz dreams, Haygood brings the
by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.

The Berlin Boxing Club - Robert Sharenow - 2011-05-17
Sydney Taylor Award-winning novel Berlin Boxing Club is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. boxing, having climbed in and out of rings for championship fights on six different continents. In Lou Duva: A Fighting Life, you’ll hear firsthand the exhilarating story of how Duva balanced family life and his work with nineteen different world champions. The son of Italian immigrants who landed at Ellis Island and lived in Manhattan before moving the family to Paterson, New Jersey, Duva had the odds stacked against him. Rather than settling, Duva was able to claw his way out of poverty to reach the pinnacle of the boxing business, where he laid the foundation of Main Events Promotions—one of the most powerful boxing promotions companies in the sport. Lou Duva: A Fighting Life chronicles an amazing boxing career filled with ups and downs. From his training of champions including Evander Holyfield and Lennox Lewis to staging some of the biggest bouts in the history of boxing, including the classic match between Sugar Ray Leonard and Thomas Hearns, to the notorious “Riot at the Garden,” Duva pulls no punches as he shares his Hall of Fame life for the first time. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Unbeaten - Mike Stanton - 2018-06-26
From the bestselling author of The Prince of Providence, a revelatory biography of Rocky Marciano, the greatest heavyweight champion of all time. The son of poor Italian immigrants, with short arms and stubby legs, Rocky Marciano accomplished a feat that eluded legendary heavyweight champions like Joe Louis, Jack Dempsey, Muhammad Ali, and Mike Tyson: He never lost a professional fight. His record was a perfect 49-0. Unbeaten is the story of this remarkable champion who overcame injury, doubt, and the schemes of corrupt promoters to win the title in a bloody and epic battle with Jersey Joe Walcott in 1952. Rocky packed a devastating punch with an innocent nickname, “Suzie Q,” against which there was no defense. As the champ, he came to know presidents and movie stars – and the organized crime figures who dominated the sport, much to his growing disgust. He may have “stood out in boxing like a rose in a garbage dump,” as one sportswriter said, but he also fought his own private demons. In the hands of the award-winning journalist and biographer Mike Stanton, Unbeaten is more than just a boxing story. It’s a classic American tale of immigrant dreams, exceptional talent wedded to exceptional ambitions, compromises in the service of a greater good, astounding success, disillusionment, and a quest to discover what it all meant. Like Suzie Q, it will knock you off your feet.

Stars in the Ring: Jewish Champions in the Golden Age of Boxing - Mike Silver - 2016-03-04
In the period from 1901 to 1939, 29 Jewish boxers were recognized as world champions and more than 160 Jewish boxers ranked among the top contenders in their respective weight divisions. Stars in the Ring, by renowned boxing historian Mike Silver, presents this vibrant social history

Stars in the Ring, by renowned boxing historian Mike Silver, presents this vibrant social history in the first illustrated encyclopedic compendium of its kind.

Stars in the Ring: Jewish Champions in the Golden Age of Boxing - Mike Silver - 2016-03-04

There has been an explosion in the quantity of sports history literature published in recent years, making it increasingly difficult to keep abreast of developments. The annual number of publications has increased from around 250 to 1,000 a year over the last decade. This is due in part to the fact that during the late 1980s and 90s, many clubs, leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements. It is also the result of the growing popularity and realisation of the importance of sport history research within academe. This international bibliography of books, articles, conference proceedings and essays in the English language is a one-stop for the sports historian to know what is new.

In words, diagrams, and action photographs, Joe Louis—who was named the greatest heavyweight champ of all time by the International Boxing Research Organization in 2005—explains the techniques he successfully used in his boxing career. There can be no greater authority to write a book on this subject than the "Brown Bomber," who held the World Heavyweight Championship for 11 years and successfully defended the title 25 times, both heavyweight records. Paladin Press is pleased to offer this classic old-school boxing title, which was originally published in 1948, to a whole new generation of enthusiasts eager to learn boxing. Starting with the correct mental attitude and basic training rules and equipment, the book proceeds through the proper stance and footwork to all the various punches and knockout blows. Personal experiences and pictures of the legendary champ enliven the instructions and lessons. Joe Louis' How to Box is for anyone interested in learning more about Joe Louis or boxing for self-defense.

Joe Louis' How to Box - Joe Louis - 2009-09-01

Undisputed Truth - Mike Tyson - 2013-11-12

Be sure to check out IRON AMBITION: My Life with Cus D’Amato by Mike Tyson.
Tyson "Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life."—Wall Street Journal
Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.

Damage - Tris Dixon - 2021-05
"Anyone who loves boxing—even the sport's most die-hard supporters—must take a longer and more serious look at the issues that Tris Dixon writes about with such nuance and humanity in Damagethere's no better argument for more studies, discussion, and awareness than this book, a volume equal parts heartbreaking and inspiring with respect to the need for change."--
Greg Bishop, Senior Writer, Sports Illustrated

The secret history brain damage in boxing has never been fully told—until now. From the story behind Muhammad Ali's deterioration, to first-hand accounts from the fighters themselves, including the beloved Micky Ward. In Damage, author Tris Dixon delivers a gripping history of "boxing's darkest secret"--CTE (Chronic Traumatic Encephalopathy), which was known previously as "Dementia Pugilistica" and "Punch Drunk Syndrome." This highly-anticipated book has already generated intense discussion on social media about the inner-conflict that comes with being a fan of the "sweet science," and the difficulty involved in witnessing the devastating brain trauma suffered by the warriors who fight for the entertainment of millions. Unfortunately, the promoters, managers, and other non-participants who profit from the violence have long looked the other way. Will this book finally drive them to address the issue and help fighters get the help they deserve?
